PATENT ASSIGNMENT

WHEREAS, **TRUE COLORS OF THE AMERICAS, LTD.**, a corporate entity established under the State of North Carolina, United States, and having a principal place of business at 920 Blairhill Road, Suite 119, Charlotte, North Carolina, United States, (hereinafter "**Assignor**"), is the present sole and exclusive owner of the United States patents listed on the attached "Schedule A" (hereinafter collectively "the Patents") and the inventions disclosed therein;

AND WHEREAS, **SIBAG**, a corporate entity established under the Canton of Aargau, Switzerland, and having a principal place of business at Kasernenstrasse 26, 5001 Aarau, Switzerland (hereinafter "**Assignee**"), is desirous of acquiring the entire right, title and interest in and to the Patents and the inventions disclosed therein;

NOW, for good and lawful consideration in the form of goods, currency and/ or services performed, the receipt and adequacy of which is expressly acknowledged and accepted, Assignor hereby sells, assigns, transfers and conveys over to Assignee, its successors-in interest and further assigns, the entire right, title and interest in and to the Patents and the inventions disclosed therein, whether presently claimed or not; and all rights in and to any applications for patent or similar legal right, anywhere in the world, relating to the subject matter of the Patents and the inventions disclosed therein, whether now pending or later filed, and all the rights in and to any patents or similar property right issuing therefrom.

AND ASSIGNOR hereby agrees to do such things and to execute such further lawful documents and other instruments as may be necessary to perfect legal, registered and recorded title to Assignee in and to the Patents and the inventions disclosed therein; and all rights in and to any applications for patent or similar legal right, anywhere in the world, relating to the subject matter of the Patents and the inventions disclosed therein, whether now pending or later filed; and all rights in and to any patents or similar property right issuing therefrom.

THIS PATENT ASSIGNMENT shall be valid and effective as of this 20 day of April 2007.
