## ASSIGNMENT AND AGREEMENT

11/665809

I hereby declare that I am the sole inventor (if only one inventor is named below) or one of  
(if plural inventors are named below) of the inventions relating to

2 joint inventors  
METHOD AND SYSTEM FOR MASTERING AND DISTRIBUTING ENHANCED  
COLOR SPACE CONTENT

and described in Docket No PU040293 and the thereupon-based International (Patent Cooperation Treaty) Application for patent about to be filed or  
lately filed by said corporation naming me/us as inventor(s).

For valuable consideration received, I hereby sell, assign and transfer to TECHNICOLOR INC., a corporation duly  
organized and existing under the laws of the country of United States of America, its successors, and assigns my entire right, title and interest, for all countries in and to said  
inventions and application, and all the rights and privileges under any and all Patents that may be granted therefor, and any divisions, continuations, reissues and extensions  
thereof.

I agree that, when requested, I will, without charge to said corporation but at its expense, sign all papers, take all rightful oaths, make all rightful declarations and  
do all acts which may be necessary, desirable or convenient for securing and maintaining patents or other forms of protection for said inventions in any and all countries  
and for vesting title thereto in said corporation, its successors, assigns or nominees.

I agree that I will communicate to said corporation or its representatives any facts known to me respecting said inventions and when  
requested by said corporation and at its expense will testify in any legal proceedings, and generally do everything possible to aid said corporation,  
its successors, assigns and legal representatives or nominees, to obtain or enforce proper protection for said inventions in any and all countries.

I authorize and empower said corporation, its successors, assigns or nominees, to make application for patent or other form of protection for said inventions in its  
or their own name, or in my/our name, in any and all countries and to invoke and claim for any application for patent or other form of protection for said inventions filed by it  
or them, the benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may  
henceforth be substituted for it, and to invoke and claim such right of priority without further written or oral authorization from me.

I hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any assignment, consent to file or like document which may  
be required in any country for any purpose and more particularly in proof of the right of the said corporation or its successors, assigns or nominees to apply for patent or  
other proper protection for said inventions, and to claim the aforesaid benefits of the right of priority provided by the International Convention for the Protection of Industrial  
Property, as amended, or by any convention which may henceforth be substituted for it.

I covenant with TECHNICOLOR, INC., its successors, assigns, legal representatives, and nominees, that to the best of my knowledge the right, title and interest  
herein conveyed by me are free and clear of any encumbrance, and that I have full right to convey the same as herein expressed.
