ASSIGNMENT

WHEREAS We, the below named Inventors, [hereinafter referred to as Assignors], have made an invention entitled:

APPARATUS AND METHODS FOR RECEPTION AND TRANSMISSION OF INFORMATION USING DIFFERENT PROTOCOLS

in which We executed an application for United States Letters Patent concurrently herewith or filed an application for United States Letters Patent on December 20, 1996 (Serial No. 08/770,775); and

WHEREAS, LINK2IT, a corporation of Delaware, whose post office address is 4256 Beck Avenue, Studio City, (hereinafter referred to as Assignee), is desirous of securing the entire right, title, and interest in and to this invention in countries throughout the world, and in and to the application for United States Letters Patent on this invention and the Letters Patent to be issued upon this application;

NOW THEREFORE, be it known that for and in consideration of the sum of One Dollar (\$1.00) in hand paid and of good and valuable consideration the receipt of which from assignee is hereby acknowledged, We, as assignors, have so assigned, transferred, and set over, and do hereby sell, assign, transfer, and set over unto the assignee, its lawful successors and assigns, our entire right, title, and interest in and to this invention and this application, and all divisions, and continuations thereof, and all Letters Patent of the United States which may be granted thereon, and all reissues thereof, and all rights to claim priority on the basis of such application, and all applications for Letters Patent which may hereafter be filed for this invention in any foreign country and all Letters Patent which may be granted on this invention in any foreign country, and all extensions, renewals, and reissues thereof; and We hereby authorize and request the Commissioner of Patents and Trademarks of the United States and any official of any foreign country whose duty it is to issue patents on applications as described above, to issue Letters Patent for this invention to assignee, its successors and assigns, in accordance with the terms of this Assignment;

AND, WE HEREBY covenant that We have the full right to convey the interest assigned by this Assignment, and have not executed and will not execute any agreement in conflict with this Assignment;

AND, WE HEREBY further covenant and agree that We will, without further consideration, communicate with assignee's successors and assigns, any facts known to me/us respecting this invention, and testify in any legal proceeding, sign all law papers when called upon to do so, execute and deliver any and all papers that may be necessary or desirable to perfect the title to this invention in said assignee, its successors or assigns, execute all divisional, continuation, and reissue applications, make all rightful oaths and generally do everything possible to aid assignee, its successors and assigns, to obtain and enforce proper patent protection for this invention in the United States and any foreign country, it being understood that any expense incident to the execution of such papers shall be borne by the assignee, its successors and assigns.

IN TESTIMONY WHEREOF, We have hereunto set our hands.
