## ASSIGNMENT

Pursuant to my obligation to Timken US Corporation (hereinafter referred to as "Assignee"), a Delaware Corporation having its principal place of business at:

59 Field Street  
Torrington, CT 06790

and for other valuable and sufficient consideration, receipt whereof is hereby acknowledged, I:

Mark A. Joki  
5930 North American Road  
Dover, OH 44622

confirm my obligation to and hereby sell, assign and convey, unto Assignee, its successors and assigns, my entire right, title and interest -

(1) in and to an invention entitled "SELECTABLE MODE CLUTCH" the specification of which was filed with my authority on 3 November 2005 as International Patent Application No. PCT/US2005/039831 (Attorney File No. 091395-9449) ("PCT Application");

(2) in and to any United States national phase patent application based on said PCT Application, in and to all other patent applications (including divisional, continuation-in-part, §111(b) provisional, §111(a) non-provisional and reissue applications) based upon said invention, and in and to the patent or patents to be granted thereon, including reissues thereof, if any, to the full end of the term or terms for which said patent or patents may be granted;

(3) in and to all patent applications on said invention now or hereafter filed in countries foreign to the United States of America, and in and to any and all patents granted on said applications to the full end of the terms for which said patents may be granted; and

(4) under the International Convention in respect to the United States patent application and/or said PCT Application and agree that any patent applications of any foreign countries which may be filed shall be filed in the name of our Assignee with a claim to priority based on said United States application and/or said PCT Application.

And I hereby agree that I will, upon demand of Assignee, its successors or assigns, and without further consideration to me, execute any and all papers that may be necessary, or deemed by Assignee, its successors or assigns, to be necessary, to a complete fulfillment of the intent and purposes of this Assignment, it being understood that any expense incident to the execution of such papers shall be paid by Assignee, its successors and assigns, and not by me.

And the Commissioner of Patents and Trademarks of the United States is hereby authorized and requested to issue said United States patent or patents to Assignee.
