ASSIGNMENT

WHEREAS we, Paul Belokin, Martin P. Belokin, and Norman P. Belokin, all of Denton County, Texas, have invented certain new and useful improvements in Display Tray, an invention disclosed, shown and described or intended so to be in an application for United States Design Patent executed by us on the _/st day of ________, 2007; the _/st day of _________, 2007; and the _st f day of _________, 2007, respectively; and

WHEREAS Displays by Martin Paul, Inc. – Creative Center (hereinafter referred to as Assignee), a corporation organized and existing under the laws of the State of Texas having its principal place of business at 9307 I-35 North, Denton, Texas 76202, is desirous of acquiring our entire right, title and interest in and to the invention and in and to the said application and any Letters Patent which may be granted therefor in the United States of America and any and all foreign countries.

NOW, THEREFORE, for and in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, we have sold, assigned and transferred and by these presents do hereby sell, assign and transfer to the said Assignee, its successors and assigns, our entire right, title and interest in and to the said invention and in and to the said application and all patents which may be granted therefor, and all divisions, reissues, substitutions, continuations, continuations-in-part and extensions thereof; and we hereby authorize and request the Commissioner of Patents and Trademarks to issue all patents for said invention, or patents resulting therefrom, insofar as our interest are concerned, to the said Assignee as assignee of our entire right, title and interest.

We also hereby sell and assign to the said Assignee, its successors and assigns, all our rights in and to the invention disclosed in said application in all countries of the world, including the right to file applications and obtain patents, utility models, industrial models and designs for said invention in its own name and including all rights of priority under the terms of the International Convention for the Protection of Industrial Property and otherwise; all rights to publish cautionary notices reserving ownership of said invention; and all rights to register said invention in appropriate registries. We further agree to execute any and all powers of attorney, patent applications, assignments, declarations, affidavits and any other papers in connection therewith necessary to perfect such rights, title and interest in Assignee, its successors or assigns.

We hereby further agree that we will, at the expense of the Assignee, testify in any legal proceedings, sign all lawful papers, execute all divisional, continuation, continuation-in-part, reissue and substitute applications, make all lawful oaths and generally do everything reasonably necessary to aid said Assignee, its successors, assigns and nominees, to obtain and enforce proper protection for said invention in all countries throughout the world.
