ASSIGNMENT

WHEREAS, We,

Robert W. Zehner
Seamus Ewan Burns

have invented one or more improvements in:

ELECTRO-OPTIC DISPLAY WITH EDGE SEAL

described in an application for Letters Patent of the United States Serial No. **11/682,348** filed in the United States Patent Office on **March 6, 2007**, and

WHEREAS, E Ink Corporation (hereinafter "E INK"), a corporation organized and existing under the laws of the State of Delaware, and having a usual place of business at 733 Concord Avenue, Cambridge, Massachusetts 02138, and Plastic Logic Limited (hereinafter "PLASTIC LOGIC"), a corporation organized and existing under the laws of the United Kingdom, having a usual place of business at 34 Cambridge Science Park, Milton Road, Cambridge CB4 0FX, United Kingdom, both desire to acquire an interest therein, in accordance with agreements duly entered into separately with us;

NOW, THEREFORE, to all whom it may concern be it known that for and in consideration of said agreements and of other good and valuable consideration, the receipt of which is hereby acknowledged, we have sold, assigned and transferred and by these presents do hereby sell, assign and transfer, in equal shares, unto said E INK and PLASTIC LOGIC, their successors, assigns, and legal representatives, our entire right, title and interest in and throughout the United States of America, its territories and all foreign countries, in and to the inventions described in said application, together with our entire right, title and interest in and to said application and such Letters Patent as may issue thereon or claim priority under international convention, including but not limited to continuations, divisionals, reissues, and reexaminations of said application of such Letters Patent; said inventions, applications and Letters Patent to be held and enjoyed by said E INK and PLASTIC LOGIC for their own use and behalf and for their successors, assigns and legal representatives, to the full end of the term for which said Letters Patent may be granted as fully and entirely as the same would have been held by us had this assignment and sale not been made; we hereby convey all of our rights arising under or pursuant to any and all international agreements, treaties or laws relating to the protection of industrial property by filing any such applications for Letters Patent. We hereby acknowledge that this assignment, being of our entire right, title and interest in and to said inventions, carries with it the right in E INK and PLASTIC LOGIC to apply for and obtain from competent authorities in all countries of the world any and all Letters Patent by attorneys and agents of E INK's and PLASTIC LOGIC's selection and the right to procure the grant of all Letters Patent to E INK and PLASTIC LOGIC for their own names of our entire right, title and interest therein.

AND, we hereby further agree for ourselves and our executors and administrators to execute upon request any other lawful documents and likewise to perform any other lawful acts which may be deemed necessary to secure fully the aforesaid invention to said E INK and PLASTIC LOGIC, their successors, assigns, and legal representatives, but at their expense and charges, including: the execution of applications for patents in foreign countries; the execution of substitution, reissue, divisional or continuation applications; and preliminary or other statements or the giving of testimony in any interference or other proceeding in which said inventions or any application or patent directed thereto may be involved;

PATENT

REEL: 019294 FRAME: 0874

AND, we do hereby authorize and request the Commissioner of Patents of the United States to issue such Letters Patent as shall be granted upon said application or applications based thereon to said E INK and PLASTIC LOGIC, their successors, assigns, and legal representatives.

IN TESTIMONY WHEREOF, we have hereunto set our hands and affixed our seals the date set forth below.
