ASSIGNMENT

5 In consideration of One Dollar and other good and valuable considerations, the receipt and sufficiency whereof are hereby acknowledged, the undersigned hereby assigns to BACTEE SYSTEMS, INC., a North Dakota corporation, having an address of P.O. Box 5192, Grand Forks, North Dakota, 58206, its successors and assigns, the entire right, title and interest in the invention or improvements of the undersigned disclosed in an application for Letters Patent of the United States, Serial No.

10 11/725,897, filed in the United States Patent Office on the 20th day of March, 2007, entitled SYSTEM AND METHOD OF AERATION FOR COMPOST PROCESSES, and in said application and any and all other applications for United States Letters Patent, which the undersigned may file, either solely or jointly with

15 others, on said invention or improvements, and in any and all Letters Patent of the United States which may be obtained on any of said applications, and in any reissue or extension thereof.

20 The undersigned hereby authorize and request the Commissioner of Patents to issue said Letters Patent to BACTEE SYSTEMS, INC..

25 For said considerations, the undersigned hereby agree, upon the request and at the expense of said assignee, its successors and assigns, to execute any and all divisional, continuation and substitute applications for said invention or improvements, and any necessary oath or affidavit relating thereto, and any application for the reissue

1 or extension of any Letters Patent that may be granted upon said application, and for
the said considerations the undersigned further agree, upon the request of said
assignee, its successors or assigns, in the event of any application or Letters Patent
5 assigned hereby becoming involved in interference, to cooperate to the best of the
ability of the undersigned with said assignee, its successors or assigns in the matter of
preparing and executing the preliminary statement and producing evidence in support
thereof, the undersigned hereby agreeing to perform, upon request, any and all
affirmative acts to obtain said Letters Patent of the United States and vest all rights
10 therein hereby conveyed in said assignee, its successors and assigns, whereby said
Letters Patent will be held and enjoyed by the said assignee, its successors and
assigns, to the full end of the term for which said Letters Patent may be granted as fully
and entirely as the same would have been held and enjoyed by the undersigned if this
15 assignment and sale had not been made, together with all claims for damages by
reason of past infringement of said Letters Patent with the right to sue for and collect
the same for its own use and enjoyment, and for the use and enjoyment of its
successors, assigns or other legal representatives.

20 And for said considerations, the undersigned hereby assign to said assignee, its
successors and assigns, the entire right, title and interest in said invention or
improvements for any and all foreign countries and agrees upon the request of
assignee, its successors and assigns, to execute any and all documents that
undersigned shall be requested to execute in connection with any and all applications
25

1 for foreign Letters Patent therefore, including the prosecution thereof, and to execute
any and all documents necessary to vest title in said foreign applications and patents in
assignee.

5 The attorneys of record are hereby authorized to insert the serial number and
filing date in the above blank spaces when received from the Patent Office.
