ASSIGNMENT

FILE

WHEREAS, I, Tadeusz Wellisz,
of Los Angeles in the County of Los Angeles,
State of California, have invented certain improvements in _____

AURICULAR IMPLANT
set forth in an application for Letters Patent of the United States; and

WHEREAS, Porex Technologies Corp., a corporation organized and existing under the laws of the State of Delaware, located and doing business at 500 Bohannon Road, Fairburn, Georgia 30213
is desirous of acquiring an interest therein;

NOW THEREFORE, for and in consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, I, Tadeusz Wellisz, by these presents do sell, assign and transfer unto said Porex Technologies Corp., its successors, legal representatives, heirs and assigns, the full and exclusive right, title and interest in the United States of America and all foreign countries to the said invention as described in the specification executed by me on the 20th day of January, 1992, (and I hereby authorize my attorneys, authorized to prosecute said application, to here insert the filing date and serial number of said application, when known: Serial No. _____, Filed Dec. 4, 1991) preparatory to obtaining Letters Patent of the United States therefor, to said application, to all Letters Patent in the United States and all foreign countries which may be granted on said invention, to all divisions, continuations and continuations-in-part of said application, or reissues or extensions of said Letters Patent, and to all rights under the International Convention for the Protection of Industrial Property; said invention, all applications for Letters Patent and all Letters Patent therefor, to be held and enjoyed by Porex Technologies Corp.

REEL 6016 FRAME 533

for its own use and behoof and for its legal representatives, successors, heirs and assigns, to the full end of the term for which said Letters Patent are granted and any extensions thereof, as fully and entirely as the same would have been held by me had this assignment and sale not been made; and for the same consideration, I hereby covenant and agree that, at the time of execution and delivery of this instrument, I am the sole and lawful owner of the entire right, title and interest in and to the said invention and the application for Letters Patent above mentioned, and that the same are unencumbered and that I have good and full right and lawful authority to sell and convey the same in the manner herein set forth; and for the same consideration, I hereby covenant and agree

that I will, whenever counsel of Porex Technologies Corp., or the counsel of its successors, legal representatives, heirs or assigns, shall advise that any proceeding in connection with said invention, or said application for Letters Patent, or any proceeding in connection with Letters Patent for said invention in any country, including interference proceedings, is lawful and desirable, or that any division, continuation or continuation-in-part of any application for Letters Patent, or any reissue or extension of any Letters Patent, to be obtained thereon, is lawful and desirable, sign all papers and documents, take all lawful oaths, and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of Letters Patent for said invention, without charge to me, my successors, legal representatives, heirs and assigns, but at the cost and expense

of Porex Technologies Corp., its successors, legal representatives, heirs and assigns; and I hereby request the Commissioner of Patents to issue said Letters Patent to Porex Technologies Corp. as assignee thereof.
