ASSIGNMENT

WHEREAS, Jon G. Lawrence of 22 Braim Road, Greenfiled Center, New York 12833 ("Lawrence") is the inventor of certain inventions and improvements disclosed in United States Patent No. 6,505,657B1, dated January 14, 2003, and related applications and other documents filed with the United States Patent and Trademark Office (collectively, the "Patent"); and

WHEREAS, Lawrence assigned all of his rights, title and interest in the Patent to Freedom Packaging Co., Inc. ("Freedom"), notice of which is filed with the United States Patent and Trademark Office at Reel 012319, Frame 0363; and

WHEREAS, Lawrence and Freedom (collectively, "Assignors") wish to assign all of their rights, title and interest in and to the Patent to Freedom Packaging Acquisition, LLC, a limited liability corporation organized under the laws of Delaware, having corporate offices at 25 East Court Street, Suite 302, Greenville, South Carolina 29601 ("Assignee"); and

WHEREAS, Assignee is desirous of acquiring the all of the rights, title and interest of Assignors in and to the Patent and to any letters patent that may be granted therefor in the United States and in any and all foreign countries;

NOW, THEREFORE, in exchange for good and valuable consideration, the receipt of which is hereby acknowledged, Assignors hereby sell, assign and transfer unto the Assignee, their entire right, title and interest in and to the Patent, including without limitation the invention and improvements disclosed in the Patent (the "Invention"), the application referenced in the Patent, any applications claiming priority to the Patent, and any and all letters patent related to the Patent that may be granted for the Invention in the United States of America and its

territorial possessions and in any and all foreign countries, and in any and all divisions, reissues and continuations thereof, including the right to file foreign applications directly in the name of Assignee and to claim priority rights deriving from said United States application to which said foreign applications are entitled by virtue of international convention, treaty or otherwise, the Invention, application and all letters patent on the Invention to be held and enjoyed by Assignee and its successors and assigns as fully and entirely as the same would have been held and enjoyed by either of the Assignors had this assignment, transfer and sale not been made. Assignors hereby authorize and request the Commissioner of Patents and Trademarks to issue all letters patent on the Invention to Assignee. Assignors agree to execute all instruments and documents required for the making and prosecution of applications for United States and foreign letters patent on the Invention, for litigation regarding said letters patent, or for the purpose of protecting title to the Invention or letters patent therefor.
