Attorney Docket No.: N1473-00003

ASSIGNMENT AND AGREEMENT

I, **Seong Bean Cho** (Assignor), hereby declare that I am the inventor of the inventions relating to **EDGE CONNECTION STRUCTURE FOR PRINTED CIRCUIT BOARDS**, described in an application for Letters Patent of the United States of America identified as **Attorney Docket Number N1473-00003**, and filed herewith.

For valuable consideration received, I, Assignor, hereby sell, assign and transfer to **Clear Electronics Inc.** (Assignee) with its principal place of business located at 54 Renfield Drive, Princeton, NJ 08540, U.S.A., and its successors, assigns and legal representatives, the entire right, title and interest, for the United States of America, in and to said inventions, and all the rights and privileges in said application and under any and all Letters Patent and any divisions, continuations, continuations-in-part, reexamination certificates, reissues, and extensions thereof that may be granted in the United States for said inventions; and I also concurrently hereby sell, assign and transfer to Assignee the entire right, title and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions.

Assignor authorizes Assignee to make application for such protection in its own name and maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from me, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

Assignor agrees that, Assignor will communicate to said Assignee or its representatives any facts known to Assignor respecting said inventions and, when requested by said Assignee and at its expense, will testify in any legal proceedings, and generally do everything possible to aid said Assignee, its successors, assigns, and legal representatives or nominees, to obtain or enforce proper protection for said inventions in any and all countries.

Assignor hereby consents that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of Assignee to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

Assignor requests that any and all patents for said inventions be issued to Assignee in the United States and in all countries foreign to the United States, or to such nominees as Assignee may designate.

Attorney Docket No.:n1473-00003

Assignor agrees, when requested, but at Assignee's expense for costs, to sign all papers, and do all acts which may be necessary, desirable or convenient in connection with said applications, patents, or other forms of protection.

Assignor covenants with **Clear Electronics Inc.**, its successors, assigns, legal representatives, and nominees, that to the best of Assignor's knowledge the right, title, and interest herein conveyed by me, are free and clear of any encumbrance, and that Assignor has full right to convey the same as herein expressed.
