# ASSIGNMENT

Serial No. 11/002,716

Filed December 2, 2004

In consideration of One Dollar and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the undersigned inventor **DANIEL A. DALUISE hereby assigns to PROGREEN SPORT SURFACES, LLC**, a Colorado limited liability company, and to its successors and assigns (hereinafter called "said assignee"), the entire right, title and interest in the invention or improvements of the undersigned disclosed in an application for Letters Patent of the United States, entitled **HORIZONTALLY DRAINING ARTIFICIAL TURF SYSTEM, filed December 2, 2004 as U.S. Serial No. 11/002,716** and published by the U.S. Patent and Trademark Office on October 27, 2005 as Publication No. US 2005/0238433 A1, and in said application and any and all other applications for United States Letters Patent (including related U.S. applications U.S. Serial No. 10/869,063 [filed June 17, 2004] and U.S. Provisional Appl. Nos. 60/520,185 [filed November 15, 2003], 60/526,371 [filed December 2, 2003] and 60/567,085 [filed April 30, 2004]), which the undersigned has filed, or may file (including any application relating to, *inter alia*, artificial turf and micro-mechanical bonding), either solely or jointly with others, on said invention or improvements, and in any and all Letters Patent of the United States which may be obtained on any of said applications, and in any reissue or extension thereof.

For said consideration, the undersigned hereby agrees, upon the request and at the expense of said assignee, to execute any divisional, continuation or substitute application for said invention or improvements, and any oath, declaration or affidavit relating thereto, and any application for the reissue or extension of any Letters Patent that may be granted upon said application, and, in the event of any application or Letters Patent assigned herein becoming involved in Interference, to cooperate to the best of the ability of the undersigned in the matters of preparing and executing the preliminary statement and giving and producing evidence in support thereof. The undersigned agrees to perform, upon request, any affirmative acts to obtain said Letters Patent of the United States and vest in said assignee all rights therein, whereby said Letters Patent will be held and enjoyed by said assignee, to the full end of the term for which said Letters Patent may be granted as fully and entirely as the same should have been held and enjoyed by the undersigned if this assignment had not been made.

And for said consideration, the undersigned hereby assigns to said assignee the entire right, title and interest in said invention or improvements for all foreign countries, including all priority rights under the International Convention, and agrees to execute, at the request of said assignee, all documents in connection with any application for foreign letters patent therefor.
