ASSIGNMENT OF UNITED STATES LETTERS PATENT

WHEREAS Croy Getranke GmbH (also known as Croy Getraenke GmbH), of Nikolai ob Drassling, Austria, hereinafter referred to as the assignor, is and warrants to be the owner of the entire right, title and interest in and to United States Letters Patent Number D500672 issued January 11, 2005, based on Application No. 29/182,325 filed May 27, 2003, and the invention disclosed therein;

AND WHEREAS ZF Getraenke GmbH, a limited liability company existing under the laws of Austria and having its offices and principal place of business at Sulzegg 39, A-8422 St. Nikolai ob Drassling, Austria, hereinafter referred to as the assignee, is desirous of acquiring the entire right, title and interest in and to the said patent and the invention disclosed therein, including any and all renewals, reissues and prolongations of the said patent;

NOW THIS WITNESSES that for and in consideration of One United States Dollar (US \$1.00) and other good and valuable consideration paid by the said assignee to the said assignor, the receipt of which is hereby acknowledged, the said assignor hereby assigns, sells and transfers to the said assignee, and the said assignee's successors and assigns, the entire and exclusive right, title and interest in and to the said patent and invention, including any and all renewals, reissues and prolongations of the said patent; the said assignee, and the said assignee's successors and assigns, to have, hold, exercise and enjoy the said patent and invention, including any and all renewals, reissues and prolongations of the said patent, with all of the rights, powers, privileges and advantages in anywise arising from or appertaining thereto, for and during the term of the said patent, including any and all renewals, reissues and prolongations thereof, for the use and benefit of the said assignee, and the said assignee's successors and assigns, in as ample and beneficial a manner as the said assignor might or could have held and enjoyed the same, if this assignment had not been made.

AND the said assignor agrees to perform, upon the request of the said assignee, or the said assignee's successors or assigns, any and all acts within the power of the said assignor, relating to the asserting of the said patent, including any and all renewals, reissues and prolongations thereof.

AND this assignment includes the transfer of the right which the said assignor has or may have in recovering for damages for infringement of the said patent prior to the date of the assignment.

EXECUTED, this 6 day of MARCH, 2007
