3. This assignment includes all income, royalties, damages or payments due or payable as of the Effective Date or thereafter, including, without limitation, all claims for damages by reason of past, present or future infringement or other unauthorized use of the IP Rights, with the right to sue for, and collect the same for its own use and enjoyment, and for the use and enjoyment of its successors, assigns, or other legal representatives.
4. Assignor hereby authorizes and requests the U.S. Director of Patents and Trademark Office of the United States, and any official of any country foreign to the United States whose duty it is to issue patents, to record Assignee as owner of the IP Rights.
