U.S. Design Patent App. Serial No.: Unknown

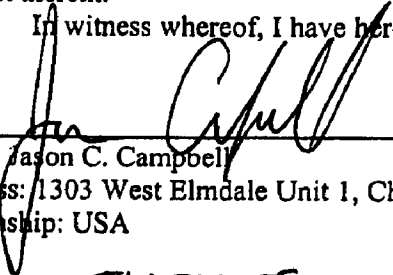

and executed an application for Letters Patent of the United States of America based thereon;

Now, therefore, for good and valuable consideration, receipt of which is acknowledged, I have agreed to assign and transfer and do hereby assign and transfer unto Valspar Sourcing, Inc. ("Company"), a corporation of Minnesota, having its principal office at 1101 South Third Street, Minneapolis, MN 55415, its successors and assigns, the entire right, title, and interest in and to said invention and application, and in and to any division or continuation (in whole or in part) of said application, and in and to any and all improvements in said invention made by me or made jointly with others (provided any such improvement is made during, or within one year after the termination of, my employment by (or other relationship with) the Company or The Valspar Corporation), and in and to any and all Letters Patent, reexaminations, reissues, or extensions thereof, of the United States of America and countries foreign thereto (including the right to apply for Letters Patent, Utility Models, or Inventors' Certificates in foreign countries in its own name and to claim any priority rights for such foreign applications to which such applications are entitled under international conventions, treaties, or otherwise), which have been or may be granted thereon or on any divisional, continuation (in whole or in part), renewal, reexamination, reissue, or other or further application based in whole or in part upon said invention or improvements thereon, to be held and enjoyed as fully and exclusively as they would have been by me had this assignment and transfer not been made;

I do further agree for myself and for my heirs, executors, and administrators, to execute and deliver without further consideration any further applications, assignments, and documents, and to perform such other acts as I lawfully may, that may be deemed necessary by the Company, its successors, assigns, and nominees, fully to secure its right, title, and interest as aforesaid and to obtain or maintain Letters Patent, Utility Models, or Inventors' Certificates in any and all countries;

And I do hereby authorize and request the Commissioner of Patents to issue any and all Letters Patent which may be granted upon any of said applications, to Valspar Sourcing, Inc. as the assignee of the entire right, title, and interest therein.

In witness whereof, I have hereunto signed my name on the day and year set forth below.

Docket No. 287.00280101

U.S. Design Patent Application Serial No.: Unknown

Filed: Herewith

and in the above-referenced applications for Letters Patent of the United States of America based thereon;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is acknowledged, the UNDERSIGNED hereby agrees to assign and transfer and does hereby assign and transfer unto Valspar Sourcing, Inc., a corporation organized under the laws of the State of Minnesota, having its principal place of business at 1101 South Third Street, Minneapolis, Minnesota 55415 (hereinafter referred to as "COMPANY"), its successors and assigns, the UNDERSIGNED's entire right, title, and interest in and to said inventions and applications, including but not limited to, its entire right, title, and interest in and to said inventions and applications, and in and to any division, continuation (in whole or in part), or renewals thereof, of said applications, and further in and to any and all improvements in said inventions made by Jason C. Campbell, individually or jointly with others, and in and to any and all Letters Patents, reexaminations, reissues, or extensions thereof, of the United States of America and countries foreign thereto (including the right to apply for Letters Patents, Utility Models, or Inventors' Certificates in foreign countries in its own name and to claim any priority rights for such foreign applications to which such applications are entitled under international conventions, treaties, or otherwise), which have been or may be granted thereon or on any continued prosecution application, divisional, continuation (in whole or in part), renewal, reexamination, reissue, or other or further application based in whole or in part upon said inventions or improvements thereon, to be held and enjoyed as fully and exclusively as they would have been by UNDERSIGNED had this assignment and transfer not been made;

THE UNDERSIGNED hereby agrees that the UNDERSIGNED, its successors, and legal representatives will make, execute, and deliver (without charge but at the expense of the COMPANY) any and all other instruments in writing including any and all further application papers, affidavits, assignments, and other documents, and will communicate to said COMPANY, its successors and assigns all facts known to the UNDERSIGNED relating to said inventions and the history thereof and will testify in all legal proceedings and generally do all things deemed necessary or desirable by the COMPANY to vest in the COMPANY, its successors or assigns and secure the entire right, title, and interest in and to said inventions, applications, and Letters Patents, including all benefits, privileges, and advantages, that are hereby sold, assigned and conveyed, or intended so to be;

THE UNDERSIGNED represents and agrees with the COMPANY, its successors and assigns, that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been or will be made to others by the UNDERSIGNED, and that full rights to convey the same as herein expressed are possessed by the UNDERSIGNED;

AND THE UNDERSIGNED hereby authorizes and requests the Commissioner of Patents to issue any and all Letters Patents which may be granted upon any of the said applications, to Valspar Sourcing, Inc. as the assignee of the UNDERSIGNED'S entire right, title, and interest therein.
