ASSIGNMENT OF INVENTION

I, **AL-QAWASMEH, Raed** of University of Jordan Housing, Building 11, Apt. 69, Amman 11942, Jordan;

in consideration of One (\$1.00) Dollar and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, do hereby sell and assign to **Lorus Therapeutics Inc.** (the "Assignee"), whose full post office address is **2 Meridian Road, Toronto, Ontario M9W 4Z7, Canada**, all my right, title and interest throughout the world in and to (1) my invention relating to **2,4,5-Trisubstituted Imidazoles and Their Use as Anti-Microbial Agents**, as described and claimed in International Patent Application No. **PCT/CA2003/001229** filed on **August 19, 2003**, claiming priority to Canadian Patent Application No. **2,398,765**; (2) all improvements, modifications, additions, and deletions to said invention; (3) the above-identified applications and all divisional, renewal, substitute, continuation, continuation-in-part and national phase applications thereof; (4) all other applications for Letters Patent in any country throughout the world in and to said invention and improvements, modifications, additions, and deletions to said invention; (5) any Letters Patent which may issue from any of said applications in any country throughout the world and all reissues and extensions thereof; (6) all Convention or Treaty rights derived from any of said applications, including without limitation, all rights of priority throughout the world in and to said applications; and (7) the full and complete right to file applications for Letters Patent in the name of the Assignee, or in our names at the Assignee's election, on said invention and improvements, modifications, additions, and deletions to said invention and on any of said applications in all countries throughout the world.

For said consideration, I agree, upon the request and at the expense of the Assignee, its successors and assigns, to execute any and all divisional, continuation, continuation-in-part applications, reissue and substitute applications for said invention, and improvements, modifications, additions, and deletions thereto, and acknowledge and agree that all rights therein shall vest in the Assignee, its successors and assigns, whereby said Letters Patent will be held and enjoyed by said Assignee, its successors and assigns, to the full end of the term for which said Letters Patent will be granted, as fully and entirely as the same would have been held and enjoyed by the undersigned if this assignment had not been made. In addition, I will, at the request and expense of the Assignee, execute any and all documents required by the Assignee to fully and properly vest the aforementioned rights in the Assignee.

SIGNED at Amman-Jordan this 4th day of April, 2007.
