## PATENT ASSIGNMENT

---

WHEREAS, Laudelino Baez a/k/a Jose Luis Baez, an individual currently residing at 900 N.W. 128<sup>th</sup> Avenue, Miami, Florida 33182 (hereinafter "Assignor") is the owner of all right, title and interest in and to the United States Patent Applications listed in attached Exhibit 1 which is expressly incorporated herein by reference in its entirety to form part of this instrument (the "Patent Applications"); and

WHEREAS, Tigress Specialty Metal Products Manufacturing, Inc., a Florida corporation having a principal place of business at 2516 SW 4<sup>th</sup> Avenue, Fort Lauderdale, Florida 33315, is desirous of acquiring all right, title and interest in, to and under said Patent Applications and all inventions disclosed and/or claimed therein (the "Inventions").

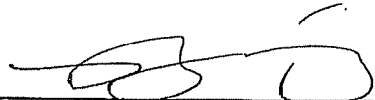

NOW, THEREFORE, in consideration of the sum of ten U.S. Dollars (\$10.00 U.S.) and other good and valuable consideration, the receipt, sufficiency and reasonably equivalent value of which are hereby mutually acknowledged, Assignor, his heirs, legal representatives, executors and assigns, agrees to and does hereby, irrevocably, unconditionally and forever sell, assign, transfer and convey unto Tigress Specialty Metal Products Manufacturing, Inc., its successors and assigns, all worldwide right, title and interest in and to the Patent Applications and the Inventions, together with and including all worldwide right, title and interest in and to: (i) any and all existing and future divisionals, continuations, continuations-in-part, re-examinations, re-issues and extensions of the Patent Applications; (ii) any and all improvements to the Inventions; (iii) any and all counterparts or legal equivalents of the Patent Applications in any foreign country(ies), (iv) all rights of domestic, foreign and international priority including without limitation the right to claim priority under the Paris Convention for the Protection of Industrial Property, the International Patent Cooperative Union, European Patent Convention, Common Market Convention, or any other Convention or Union for each country of said Convention or Union; (v) any and all U.S. and foreign patents which may issue at any time on the Patent Applications or on any U.S., foreign or international

application claiming any right of priority to any of the Patent Applications or to any of said divisionals, continuations, continuations-in-part, re-examinations, re-issues, extensions, counterparts and legal equivalents; and (vi) the sole and exclusive right to sue and recover damages and any and all other legal and equitable remedies for any past infringement(s) of any patent rights or other intellectual property rights in or relating to the Inventions and/or the Patent Applications, the foregoing all for the use and enjoyment of Tigress Specialty Metal Products Manufacturing, Inc., its successors and assigns to the end of the term of each patent which may issue on the Patent Applications and/or on each of the above-referenced divisionals, continuations, continuations-in-part, re-examinations, re-issues, extensions, counterparts and legal equivalents, as fully and entirely as the same would have been held and enjoyed by Assignor, his heirs, legal representatives, executors, and assigns if this sale, assignment, transfer and conveyance had not been made.

AND, FURTHER, Assignor represents and warrants to Tigress Specialty Metal Products Manufacturing, Inc., that he has full right to convey the interest herein assigned, and has not executed, and will not execute, any assignments or agreements inconsistent herewith.

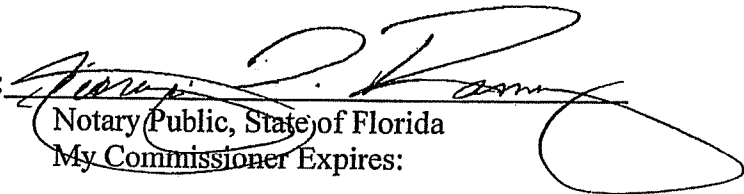

**REMAINDER OF PAGE INTENTIONALLY LEFT BLANK**
