PATENT

ASSIGNMENT

WHEREAS, Uecker & Associates, Inc., a California corporation having a principal place of business at 100 Pine Street, Suite 475, San Francisco, CA 94111 (hereinafter "ASSIGNOR"), in its capacity as the assignee for the benefit of creditors of Grand Central Communications, Inc., has, pursuant to prior assignments from the inventors set forth on Schedule A attached hereto (hereinafter "the Inventors") and an assignment from Grand Central Communications, Inc., a Delaware corporation, all such Inventors' right, title and interest in, to and under the corresponding inventions set forth on Schedule A attached hereto (hereinafter "the Inventions"), with the filing dates and the United States Patent Application Numbers set forth on Schedule A attached hereto.

AND WHEREAS, ASSIGNOR is desirous of assigning to On Demand Venture Fund LLC (hereinafter "ASSIGNEE"), a Virginia limited liability company having a principal place of business at 50 Fremont Street, 17th Floor, San Francisco, CA 94105, all its right, title and interest in, to and under the Inventions in the United States and countries foreign to the United States, including the right to bring an action and recover damages for past infringements, if any;

AND WHEREAS, ASSIGNEE is desirous of obtaining the entire right, title and interest in, to and under the Inventions owned by the said ASSIGNOR in the United States and countries foreign to the United States, including the right to bring an action and recover damages for past infringement, if any;

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00) in hand paid, and other good and valuable consideration, the receipt of which is hereby acknowledged, the said ASSIGNOR, has sold, assigned, transferred and set over, and by these presents does hereby sell, assign, transfer and set over, unto the said ASSIGNEE, its successors, legal representatives and assigns, ASSIGNOR's entire right, title and interest in, to and under the said Inventions, and the said United States application and all divisions, renewals, continuations, and continuations-in-part thereof, and all Patents of the United States which may be granted thereon and all reissues and extensions thereof; and all applications for industrial property protection, including, without limitation, all applications for patents, utility models, and designs which may be filed for said Inventions in any country or countries foreign to the United States, together with the right to file such applications and the right to claim for the same the priority rights derived from said United States application under the Patent Laws of the United States, the International Convention for the Protection of Industrial Property, or any other international agreement or the domestic laws of the country in which any such application is filed, as may be applicable; and all forms of industrial property protection, including, without limitation, patents, utility models, inventors' certificates and designs which may be granted for said Inventions in any country or countries foreign to the United States and all extensions, renewals and reissues thereof;

AND ASSIGNOR HEREBY authorizes and requests the Commissioner for Patents and any Official of any country or countries foreign to the United States, whose duty it is to issue patents or other evidence or forms of industrial property protection on applications as aforesaid, to issue the same

to the said ASSIGNEE, its successors, legal representatives and assigns, in accordance with the terms of this instrument.

AND ASSIGNOR HEREBY covenants and agrees that it has not executed, and will not execute, any agreement in conflict herewith.

AND ASSIGNOR HEREBY further covenants and agrees that it will sign all lawful papers in reasonably acceptable form, make all rightful oaths, and generally do everything reasonably possible to aid the said ASSIGNEE, its successors, legal representatives and assigns, as reasonably necessary to complete and perfect the transfer of said Inventions in all countries.

IN TESTIMONY WHEREOF, the person executing this Assignment in a representative capacity on behalf of the ASSIGNOR warrants that he/she is fully authorized and empowered to do so and sets his/her hand and seal the day and year set with his/her signature.
