ASSIGNMENT

This Assignment, is made by TARA KINGSBERRY of Los Angeles, California, Assignor, to CELS ENTERPRISES, INC., a California corporation, Assignee, having a place of business at 3485 South La Cienega Boulevard, Los Angeles, CA 90016.

WHEREAS, Assignor has invented a new, original and ornamental design for a useful JELLY SHOE, for which an application for United States Design Patent was filed on May 1, 2007, and has Application No. 29/286,302; and

WHEREAS, Assignor believe herself to be the original, first inventor of the design disclosed and claimed in said application for Design Patent; and

WHEREAS, Assignee desires to acquire by formal, recordable assignment the entire right, title and interest in and to said design, said application, and any Design Patent that may be granted for said design in the United States and throughout the world;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby sells, assigns and transfers to Assignee, the entire right, title and interest in and to said design, said application, and any Design Patent that may be granted for said design in the United States and throughout the world, including the right to file foreign applications directly in the name of the Assignee and to claim for any such foreign applications any priority rights to which such applications are entitled under international conventions, treaties or otherwise.

Further, Assignor agrees that, upon request and without further compensation, but at no expense to Assignor, she and her legal representative(s) and assigns will do all lawful acts, including the execution of papers and the giving of testimony, that may be necessary or desirable for obtaining, sustaining, reissuing or enforcing Design Patent in the United States and

throughout the world for said design, and for perfecting, recording or maintaining the title of Assignee, its successors and assigns, to said design, said application, and any Design Patent granted for said design in the United States and throughout the world.

Assignor represents and warrants that she has not granted and will not grant to others any rights inconsistent with the rights granted herein.

Assignor authorizes and requests the Commissioner of Patents and Trademarks of the United States and of all foreign countries to issue any Design Patent granted for said design, whether on said application or on any subsequently filed division, continuation, continuation-in-part or reissue application, to Assignee, its successors and assigns, as the assignee of the entire interest in said design.

IN WITNESS WHEREOF, Assignor has executed this Assignment on the date written herein below.
