WHEREAS, Brady Identocard, Inc., a Pennsylvania corporation having a place of business at 6555 West Good Hope Road, Milwaukee, Wisconsin ("Assignee") is desirous of obtaining the full and entire right, title, and interest in, to, and under said Patents and Applications;

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged:

1. Assignor hereby, sells, assigns, and transfers to Assignee, its assigns and successors in interest, its entire worldwide right, title and interest in the Patents and Applications together with the inventions described therein, the same to be held and enjoyed by Assignee for its own use and enjoyment and the use and enjoyment of its successors, assigns or other legal representatives, to the end of the term or terms for which said Patents and Applications are granted or reissued or extended as fully and entirely as the same would have been held and enjoyed by Assignor, as of the date hereof, if this assignment and sale had not been made, as assignee of its entire right, title and interest therein and in and to all income, royalties, damages and payments now or hereafter due or payable with respect thereto in and to all causes of action (either in law or in equity) and the right to sue, counterclaim, and recover for past, present and future infringement of the rights assigned or to be assigned under this Assignment.
2. This Assignment is binding upon, and inures to the benefit of, the parties and their respective legal representatives, successors and assigns.
3. Assignor hereby requests the U.S. Commissioner of Patents and Trademarks and/or the applicable foreign authorities to record this Assignment, as to the Patents and Applications herein referred to.
4. It is understood that any finding of invalidity of one assignment as effected hereby shall not affect the assignment of other Patents and Applications.
