WHEREAS Scott M. Packer of Alpine, Utah ("Assignor"), has invented a certain new and useful invention entitled ANVIL FOR FRICTION STIR WELDING HIGH TEMPERATURE MATERIALS, the application for United States Letters Patent which is identified above; and

WHEREAS, SII MegaDiamond, Inc., a corporation of the State of Delaware, having a business address of 275 West 2230 North, Provo, Utah 84604 ("Assignee"), is desirous of acquiring a fifty percent undivided interest in the entire right, title, and interest in the same; and

WHEREAS, Advanced Metal Products, Inc., a corporation of the State of Utah, having a business address of 2320 North 640 West, West Bountiful, Utah 84087, is desirous of acquiring a fifty percent undivided interest in the entire right, title, and interest in the same;

NOW, THEREFORE, in consideration of one dollar (\$1.00), the receipt and sufficiency whereof is hereby acknowledged, and other good and valuable consideration, I, Scott M. Packer, by these presents, do hereby sell, assign, and transfer unto said SII MegaDiamond, Inc. and said Advanced Metal Products, Inc. each a fifty percent undivided interest in said invention and in and to said application and any and all provisionals, non-provisionals, divisions and continuations, substitutes and reissues of said application and the entire right, title, and interest in, to and under any and all Letters

Patent of the United States and foreign countries that may issue or be granted on said invention.

The Assignor hereby authorizes the Assignees to apply for and receive any and all United States and foreign patents relating to such improvements in their own names.

The Assignor hereby authorizes and requests the issuing authority to issue any and all United States and foreign patents granted on such improvements to and in the name of the Assignees.

The Assignor warrants and covenants that no assignment, grant, mortgage, license or other agreement or encumbrance affecting the rights and property herein conveyed has been or will be made or entered into by the undersigned, and that the full right to convey the same as herein expressed is possessed by the undersigned.

When requested by and at the expense of the Assignees, the Assignor covenants to carry out in good faith the intent and purpose of this agreement, to execute all provisional, non-provisional, divisional, continuing, substitute, renewal and reissue, and all other patent applications relating to any and all improvements relating to the invention; to execute all rightful oaths, declarations, assignments, powers of attorney and other papers; to communicate to the Assignees all facts and provide to the Assignees all documents and things known and accessible to the undersigned relating to such
