BACKGROUND OF THE ASSIGNMENT

INVENTORS have conceived a certain new and useful invention disclosed in a United States design patent application titled "EYEWEAR."

Wolf Peak Holdings, LLC desires to acquire the entire right, title and interest in the invention and with respect to any Design Patent that may be granted with respect to the invention in the United States and in all foreign countries except for China and Taiwan.

Wolf Peak Holdings, LLC and Sun Sight Glasses Co, Ltd. desire to jointly acquire the entire right, title and interest in the invention and with respect to any Design Patent that may be granted with respect to the invention in China and Taiwan.

THE PARTIES AGREE AS FOLLOWS:

INVENTORS do hereby sell, assign and transfer to Wolf Peak Holdings, LLC the entire right, title and interest in the above-identified design application in the United States and in all foreign countries except for China and Taiwan executed concurrently with this assignment and to any reissues, divisions or continuations thereof, and hereby authorize the Commissioner of Patents and Trademarks to issue such Design Patent to Wolf Peak Holdings, LLC for the sole use of Wolf Peak Holdings, LLC, its successors or assigns.

INVENTORS do hereby sell, assign and transfer to Wolf Peak Holdings, LLC and Sun Sight Glasses Co, Ltd. jointly, the entire right, title and interest in the above-identified design application in China and Taiwan.

INVENTORS further agree to execute, at the request and expense of Wolf Peak Holdings, LLC such other formal documents as may be required to fully convey the interest transferred herein and will similarly execute any application papers required for the filing of any division, continuation or reissue of the patent application or resulting Design Patent; and will generally do everything necessary or desirable to obtain and enforce proper protection for the invention assigned hereby.

INVENTORS further assign to Wolf Peak Holdings, LLC the whole right, title and interest in the invention disclosed in the application throughout all countries foreign to the United States except for China and Taiwan. INVENTORS further assign to Wolf Peak Holdings, LLC and Sun Sight Glasses Co, Ltd. jointly, the whole right, title and interest in the above-identified design application in China and Taiwan. Wolf Peak Holdings, LLC is hereby authorized to apply for patents relating to the invention in its own name in countries where such procedure is proper; to claim the benefit of the International Convention; to file and prosecute

International Applications relating to the invention under the Patent Cooperation Treaty; and to file and prosecute applications relating to the invention under the European Patent Convention. INVENTORS agree to execute applications relating to the invention in those countries and under those conventions where it is necessary that the same be executed by the inventors, and to execute assignments of such applications and the resulting Design Patent to Wolf Peak Holdings, LLC as well as all other necessary papers in relation to such applications and Design Patent.
