ASSIGNMENT

In consideration of One Dollar ($1.00), and other good and valuable considerations, the receipt of which is hereby acknowledged, I, the undersigned,

Kunihiro KOSHIKA of Tokyo, Japan

Hereby sell, assign and transfer to NEC Corporation a corporation of Japan

having a place of business at 7-1, Shiba 5-chome, Minato-ku, Tokyo, Japan

its successors, assigns and legal representatives, the entire right, title and interest for all countries, in and to any and all improvements which are disclosed and claimed, and as possessed by the undersigned, any and all improvements which are disclosed but not claimed, in the application for United States Patent, which has been executed by the undersigned on June 8, 2007 and is entitled

THIN CLIENT SYSTEM USING SESSION MANAGING SERVER AND SESSION MANAGING METHOD
and in and to said application and all divisional, continuing, substitute, renewal, reissue, and all other applications for Letters Patent which have been or shall be filed on any of said improvements disclosed in said application; and in and to all original and reissued patents which have been or shall be issued on said improvements;

Authorize and request the Commissioner of Patents to issue to said Assignee, the corporation above named, its successors, assigns and legal representatives, in accordance with this assignment, any and all United States Letters Patent on said improvements, or any of them, disclosed in said application;

Agree that said Assignee may apply for and receive foreign Letters Patent for said improvements, or any of them; and may claim, in applications for said foreign Letters
Patent, the priority of the aforesaid United States application under the provisions of the
International Convention; and that, when requested, without charge to but at the expense of
said Assignee, its successors, assigns and legal representatives, to carry out in good faith the
intent and purpose of this assignment, the undersigned will, for the United States and all
foreign countries, execute all divisional, continuing, substitute, renewal, reissue and all other
patent applications on any and all said improvements; execute all rightful oaths, assignments,
powers of attorney and other papers; communicate to said Assignee its successors, assigns and
representatives, all facts known to the undersigned relating to said improvements and the
history thereof; testify in all legal proceedings; and generally do everything possible which said
Assignee, its successors, assigns or representatives shall consider desirable for aiding in
securing, maintaining and enforcing proper patent protection for said improvements and for
vesting title to said improvements and all applications for patents and all patents on said
improvements, in said Assignee, its successors, assigns and legal representatives; and

Covenant with said Assignee, its successors, assigns and legal representatives
that no assignment, grant, mortgage, license or other agreement affecting the rights and
property herein conveyed has been made to others by the undersigned, and that full right to
convey the same as herein expressed is possessed by the undersigned.
