ASSIGNMENT

Sole Inventorship

WHEREAS, Timothy S. Rozema, hereinafter called the "Assignor", has invented a new and useful VISCOUS SHEAR DAMPING STRUT ASSEMBLY, for a full description of which reference is here made to an application for Letters Patent of the United States executed by him; and

WHEREAS, Hartwell Corporation, a corporation organized and existing under the laws of the State of California, having a principal office and place of business at 900 South Richfield Road, Placentia, California 92870, hereinafter called the "Assignee," is desirous of acquiring the entire right, title and interest in and to said invention, the application above identified, and in, to and under Letters Patent that may be obtained for said invention, as hereinafter more fully set forth;

NOW, THEREFORE, TO ALL WHOM IT MAY CONCERN, be it known that for and in consideration of the sum of \$1.00, other valuable and legally sufficient considerations, the receipt of which by the Assignor from the Assignee is hereby acknowledged, the Assignor has sold, assigned and transferred, and by these presents does sell, assign and transfer unto the Assignee, the entire right, title and interest for the United States in and to the invention and application hereinabove identified, and any Letters Patent of the United States that may issue for said invention as well as all continuations, continuations-in-part, divisions and reissues thereof, and any Letters Patent therefor in all countries foreign to the United States; to have and to hold for the sole and exclusive use and benefit of the Assignee, its successors and assigns to the full end of the term for which any and all of said Letters Patent for said invention may issue.

And the Assignor does hereby covenant and agree, for himself and his legal representatives, that he will assist his Assignee in the prosecution of the application herein identified; in the making and prosecution of any other applications for Letters Patent that the Assignee may elect to make covering the invention herein identified, as hereinbefore set forth, including any application for reissue, application for reexamination, or any proceeding in the United States Patent and Trademark Office affecting said invention; investing in the Assignee like exclusive title in and to all such other applications and Letters Patent; and in the prosecution of any interference or reexamination that may arise involving said invention, or any application or Letters Patent herein contemplated; and that he will execute and deliver to the Assignee any and all additional papers
