☒ and throughout the world,

in the invention for which application for patent was made in the United States of America on **November 17, 2004** (also known as U. S. provisional patent application serial number **60/628,341**), and in any and all non-provisional and/or international patent applications and/or foreign patent applications thereon, in any and all Letters Patent therefor, and in any and all reissues, extensions, renewals, reexaminations of such applications or Letters Patent and divisional and the continuing patent applications thereof to the full end of the term or terms for which such Letters Patent issue, such entire right, title and interest to be held and enjoyed by the above named Assignee to the same extent as they would have been held and enjoyed by the undersigned had this Assignment and sale not been made.

The undersigned agrees to execute all papers necessary in connection with the patent applications, non-provisional and/or international and/or foreign patent applications, and any continuing, divisional, reissue, reexamination or corresponding patent applications thereof and also to execute separate Assignments in connection with such applications as the Assignee may deem necessary or expedient.

The undersigned agrees to execute all papers necessary in connection with any interference that may be declared concerning the patent applications or any non-provisional, continuing, divisional, reissue or reexamination patent applications thereof and to cooperate with the Assignee in every way possible in obtaining evidence and going forward with such interference.

The undersigned hereby represents that undersigned has full right to convey undersigned's entire interest herein assigned, and that undersigned has not executed and will not execute any agreement in conflict therewith.

IN WITNESS WHEREOF, executed by the undersigned on the date opposite his name:
