ASSIGNMENT

For good and valuable consideration, the receipt of which is hereby acknowledged, each undersigned Assignor:

Markus Allmann

hereby sells, assigns and transfers to Assignee:

AUDI AG
85045 Ingolstadt
Germany

its successors, assigns and legal representatives, the entire right, title and interest for the United States and all foreign countries, in and to, and any and all improvements which are disclosed in:

(a) Patent Number: _____ dated: _____, or

(b) Patent Application Number: 29/281,237 filed: June 19, 2007,

_____ which is a National Stage application of:

International application number: _____

International filing date: _____, or

(c) Patent Application executed by the undersigned and filed concurrently herewith;

and entitled: CLADDING FOR A BUILDING

and in and to said Letters Patent and/or patent application, and all divisional, continuing, substitute, renewal, reissue and all other applications for Letters Patent which have been or shall be filed in the United States and all other foreign countries on any of said improvements; and in and to all original and reissued Letters Patent which have been or shall be issued in the United States and all foreign countries on said improvements.

The Assignee may apply for and receive the Letters Patent in its own name. When requested by the Assignee or its successors, the undersigned will execute all other patent applications, proper oaths, assignments, powers of attorney, or other papers and communicate all facts known to it relating to the improvements and the history thereof; and generally do everything possible which the Assignee or its successors shall consider desirable for aiding in securing and maintaining proper patent protection for the improvements and for vesting title in the Assignee or its successors.

Each Assignor warrants that he/she has the full right to convey the rights and property described herein and no assignment, grant, mortgage or license or other agreement affecting such rights and property has been made to others by the undersigned.
