ASSIGNMENT

WHEREAS, we, DAVID J. WINSNESS of Alpharetta, Georgia, JOHN W. DAVIS of Chesapeake Beach, Maryland, GREGORY PAUL BARLAGE of Sandston, Virginia and DAVID FRED CANTRELL of Lakemont, Georgia have made certain new and useful inventions as set forth in a United States Provisional Patent Application entitled METHOD OF FREEING THE BOUND OIL PRESENT IN WHILE STILLAGE AND THIN STILLAGE;

AND WHEREAS, GS Industrial Design, Inc., a corporation formed under the laws of the state of Delaware having a place of business at 1 Penn Plaza, Suite 1612 New York, NY 10119, is desirous of acquiring the entire right, title and interest in and to said inventions, to the application and any right of priority created by it, and in and to any and all Letters Patent of the United States and foreign countries which may be obtained for said inventions;

NOW, THEREFORE, for good and valuable consideration, we do hereby sell, assign, transfer and set over unto said assignee, its legal representatives, successors, and assigns, the entire right, title and interest in and to said inventions as set forth in the above-mentioned application, the application and any right of priority created by it, and in and to any and all patents of the United States and foreign countries which may be issued for said inventions;

UPON SAID CONSIDERATIONS, we hereby agree with the said assignee

that we will not execute any writing or do any act whatsoever conflicting with these presents, and that we will, at any time upon request, without further or additional consideration but at the expense of the said assignee, execute such additional assignments and other writings and do such additional acts as said assignee may deem necessary or desirable to perfect the assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, reexamined or reissued Letters Patent of the United States or of any and all foreign countries on said inventions, and in enforcing any rights or choses in action accruing as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents, and by executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of, the assigns and legal representatives of assignor and assignee;

We hereby authorize and request King & Schickli, PLLC of 247 North Broadway, Lexington, Kentucky 40507 to insert here in parenthesis (Application Serial No. 11/688,425, filed 3/20/07) the serial number and filing date of this application when known;

AND we request the Commissioner of Patents and Trademarks to issue any Letters Patent of the United States which may be issued for said inventions to said assignee, its legal representatives, successors or assigns, as the sole owner of the entire right, title and interest in and to said patent and the invention covered thereby.
