the patent application and related inventions, including all improvements, variations, derivations and inventive subject matter directly or indirectly related to the patent application and inventions, and all provisional or nonprovisional patent applications or issued patents that have been or may be granted thereon, including without limitation all reissues, divisions, continuations, continuations-in-part, and extensions of the patent applications or patents, or any other form of protection for the inventions related to the patent application, in the United States and foreign countries; all rights of action arising from the inventions and all applications and patents on the inventions; all claims for damages by reason of past and future infringement of the inventions and all applications and patents on the inventions, and the right to sue and collect damages for such infringement; all of the foregoing assigned rights currently held and enjoyed by the ASSIGNEE for its own use and benefit and for its successors and assigns as the same and now hereby revert to each of the above-named INVENTORS thereby reinstating such rights as they had earlier possessed and those rights shall remain in force the same as if the ASSIGNMENT had not been made and given.

The above-named INVENTORS and the ASSIGNEE do further agree that this Rescission Of Assignment shall not in any way be construed as waiving or affecting any breach or default past, present, or future under the documents creating 6915336 LLC or as impairing any right or remedy thereunder, but is and shall be deemed to be, only a rescission of the ASSIGNMENT.

The above-named INVENTORS further agree that upon the filing of this RESCISSION, the ASSIGNEE, 6915336 LLC, having been, hereby, depleted of its only asset, shall no longer be competent to achieve its formative purpose. The above-named INVENTORS hereby direct, the ASSIGNEE, 6915336 LLC, through its President, Martin S. Rood, to dissolve the ASSIGNEE. Execution of this RESCISSION shall serve as authorization for dissolution. The above-named INVENTORS acknowledge that no further distribution of the now-depleted assets of ASSIGNEE, 6915336 LLC shall occur.

If any provision of this assignment is held by any court to be unenforceable, such provision shall be interpreted to accomplish the objectives of the original provision to the fullest extent allowed by law, and the remainder of this assignment shall remain in full force and effect.
