The Corporation shall not declare, pay or set aside any dividends on shares of Common Stock (other than dividends on shares of Common Stock payable in shares of Common Stock) in any year unless (a) the holders of the Series C-1 Preferred Stock then outstanding shall first receive, or simultaneously receive for such year, a dividend on each outstanding share of Series C-1 Preferred Stock in an amount at least equal to \$0.0322 per share of Series C-1 Preferred Stock (subject to appropriate adjustment in the event of any stock dividend, stock split, combination or other similar recapitalization affecting such shares), and (b) the holders of the Series C-2 Preferred Stock then outstanding shall first receive, or simultaneously receive for such year, a dividend on each outstanding share of Series C-2 Preferred Stock in an amount at least equal to \$0.052575 per share of Series C-2 Preferred Stock (subject to appropriate adjustment in the event of any stock dividend, stock split, combination or other similar recapitalization affecting such shares). The foregoing dividends shall not be cumulative and no rights shall accrue to holders of the Series C Preferred Stock by reason of the fact that dividends on said shares are not declared or paid in any prior year. The Corporation shall not declare, pay or set aside any dividends on shares of any class or series of capital stock of the Corporation (other than dividends on shares of Common Stock payable in shares of Common Stock) unless the holders of the Series C Preferred Stock then outstanding shall first receive, or simultaneously receive, in addition to any dividend payable pursuant to the foregoing provisions of this Section C.1, a dividend on each outstanding share of Series C Preferred Stock in an amount at least equal to (i) in the case of a dividend on Common Stock or any class or series that is convertible into Common Stock, an amount per share of Series C Preferred Stock as would equal the product of (A) the dividend payable on each share of such class or series determined, if applicable, as if all such shares of such class or series had been converted into Common Stock, and (B) the number of shares of Common Stock issuable upon conversion of a share of Series C Preferred Stock, in each case calculated on the record date for determination of holders entitled to receive such dividend, or (ii) in the case of a dividend on any class or series that is not convertible into Common Stock, an amount per share of Applicable Series C Preferred Stock determined by multiplying (A) the fraction obtained from dividing (I) the amount of the dividend payable on each share of such class or series of capital stock by (II) the original issuance price of such class or series of capital stock and (B) an amount equal to (I) \$0.4025554925 per share of Series C-1 Preferred Stock (subject to appropriate adjustment in the event of any stock dividend, stock split, combination or other similar recapitalization affecting such shares) (such amount, as so adjusted from time to time, being hereinafter referred to as the "*Series C-1 Original Issue Price*"), or (II) \$0.657297645 per share of Series C-2 Preferred

Stock (subject to appropriate adjustment in the event of any stock dividend, stock split, combination or other similar recapitalization affecting such shares) (such amount, as so adjusted from time to time, being hereinafter referred to as the "*Series C-2 Original Issue Price*"). For purposes of this Certificate of Incorporation, the term "*Applicable Original Issue Price*" shall mean, in the case of the Series C-1 Preferred Stock, the Series C-1 Original Issue Price and, in the case of the Series C-2 Preferred Stock, the Series C-2 Original Issue Price. The holders of outstanding shares of Series C Preferred Stock may waive any dividend that such holders may be entitled to receive under this Section C.1 upon the affirmative vote or written consent of the holders of at least a majority of the Series C Preferred then outstanding (voting together as a single class on an as converted basis (a "*Majority Interest*")."

(a) Right to Convert. Each share of the Series C-1 Preferred Stock shall be convertible, without payment of additional consideration by the holder thereof, at the option of the holder thereof, at any time after the date of issuance of such share, at the office of the Corporation or any transfer agent for such stock, into such number of fully paid and nonassessable shares of the Common Stock as is determined by dividing (i) the Series C-1 Original Issue Price, by (ii) the Series C-1 Conversion Price (as defined below) in effect on the date the certificate for such share of Series C-1 Preferred Stock is surrendered to the Corporation for conversion. Each share of the Series C-2 Preferred Stock shall be convertible, without payment of additional consideration by the holder thereof, at the option of the holder thereof, at any time after the date of issuance of such share, at the office of the Corporation or any transfer agent for such stock, into such number of fully paid and nonassessable shares of the Common Stock as is determined by dividing (i) the Series C-2 Original Issue Price, by (ii) the Series C-2 Conversion Price (as defined below) in effect on the date the certificate for such share of Series C-2 Preferred Stock is surrendered to the Corporation for conversion. The "*Series C-1 Conversion Price*" per share for shares of the Series C-1 Preferred Stock, and the "*Series C-2 Conversion Price*" per share for shares of the Series C-2 Preferred Stock, shall initially be equal to \$0.4025554925 and \$0.657297645, respectively. Each of the Series C-1 Conversion Price and Series C-2 Conversion Price shall

be referred to herein as a "*Conversion Price*," and the term "*Applicable Conversion Price*" means, with respect to the Series C-1 Preferred Stock, the Series C-1 Conversion Price and, with respect to the Series C-2 Preferred Stock, the Series C-2 Conversion Price. Each such initial Conversion Price, and the rate at which shares of Series C Preferred Stock may be converted into shares of Common Stock, shall be subject to adjustment as provided below; provided, however, that the Conversion Price shall be subject to adjustment as set forth in this Certificate of Incorporation."

NINTH: That the foregoing Certificate of Amendment of the Restated Certificate of Incorporation of the Corporation has been duly adopted and approved by the Board of Directors and stockholders of the Corporation in accordance with the applicable provisions of Sections 141, 228 and 242 of the Delaware General Corporation Law.

IN WITNESS WHEREOF, the undersigned hereby further declares and certifies under penalty of perjury that the facts set forth in the foregoing certificate are true and correct to his own knowledge, and that this certificate is his own act and deed.
