ASSIGNMENT

As a below-named inventor, I hereby declare that:

My post office address is as stated below under my signature and I am named as an inventor of the inventions (herein INVENTIONS) as described in the patent application (herein APPLICATION) identified below. In view of valuable consideration, receipt thereof is hereby acknowledged, I do hereby assign and transfer unto PFIZER INC., a corporation of the State of Delaware, having a place of business at 235 East 42nd Street, New York, New York 10017, United States of America, its successors and assigns, my entire interest, except as limited hereinbelow, in and to the full right of the INVENTIONS, the APPLICATION and all related applications (including provisionals, divisions, reissues, continuations, continuations-in-part, and extensions thereof) and all counterparts in the United States of America and any and all Letters Patent (herein PATENTS) which may be granted based upon the INVENTIONS or the APPLICATION or related applications or counterparts in the United States of America; said transfer and assignment being applicable in the United States of America. I hereby authorize and request officials of patent offices in the United States of America to issue and any all of the PATENTS, when granted, to PFIZER INC., its successors and assigns, as the assignee of my entire right, title and interest in and to the same.

Further, I hereby assign and transfer unto PFIZER PRODUCTS INC., a corporation of the State of Connecticut, having a place of business at Eastern Point Road, Groton, Connecticut 06340, United States of America, my entire interest in and the full exclusive right to the INVENTIONS, the APPLICATION and all related applications (including provisionals divisions, reissues, continuations, continuations-in-part, and extensions thereof) and all counterparts in all countries of the world except the United States of America, and any and all Letters Patent (and certificates of invention or similar certificates) (herein PATENTS) which may be granted based upon the INVENTIONS or the APPLICATION or related applications or counterparts in all countries of the world except in the United States of America, said transfer and assignment being applicable throughout the world except in the United States of America. I hereby authorize and request officials of patent offices in any and all countries of the world except in the United States of America to issue any and all of the PATENTS, when granted, to PFIZER PRODUCTS INC., its successors and assigns, as the assignee of my entire right, title and interest in and to the same.

I agree that I will communicate to PFIZER INC., and PFIZER PRODUCTS INC., and/or its representatives, any facts known to me respecting the invention; testify in any legal proceedings; sign all lawful papers; execute all lawful papers; execute all provisional, divisional, continuation, continuation-in-part, substitution, renewal and reissue applications; execute all necessary assignment papers to cause any and all of the PATENTS to be issued to PFIZER INC. and/or PFIZER PRODUCTS INC.; make all rightful oaths; and generally do everything possible to aid PFIZER INC. and/or PFIZER PRODUCTS INC., its successors and assigns, to obtain and enforce proper protection for the INVENTION in any and all countries throughout the world.

The APPLICATION is identified herein.
