We hereby covenant and agree that at the time of execution and delivery of this Assignment, the Assignors are the sole and lawful owners of the entire right, title, and interest in and to said Inventions and applications for Letters Patent, and that the same are unencumbered and that the Assignors have good and full right and lawful authority to sell and convey the same in the manner herein set forth.

We hereby further covenant and agree that we will execute or procure any further necessary assurance of the titles to said Inventions and any Letters Patent which may issue therefor and that we will at any time, upon the request and at the expense of Assignee, deliver any testimony in any legal proceeding and execute all papers that may be necessary or desirable to perfect the title to, procure, maintain, enforce, or defend said Inventions or any Letters Patent thereon which may be granted to Assignee and its successors, assigns, or other legal representatives, and we will at any time, upon the request and at the expense of Assignee, execute any continuations, continuations-in-part, divisional, reissue, extension, or any other applications for Letters Patent for said Inventions or any part or parts thereof, all of which applications and any Letters Patent issuing thereon are hereby assigned to Assignee, and will make all rightful oaths, execute all papers, and do all rightful acts requisite for procuring, maintaining, enforcing, and defending the same without further compensation, but at the expense of Assignee, its successors, assigns, or other legal representatives.

And we hereby authorize and request the Commissioner of Patents and Trademarks to issue any and all Letters Patent of the United States for said Inventions resulting from any of the aforesaid applications to **NeuroPace, Inc.**, as sole Assignee, for the sole use and enjoyment of said Assignee, its successors, assigns, or legal representatives.
