## **PATENT ASSIGNMENT**

WHEREAS, WE, Darron Phillips, Jeff Wright, and Craig Staff (hereinafter referred to as the "ASSIGNORS"), citizens of the United States, are co-inventors of the invention for which we have a patent application filed with the United States Patent and Trademark Office as follows:

Application No.:	11/339,329
Filed:	01/25/2006
Title:	Hybrid Breaching Bar
Inventors:	Darron Phillips, Jeff Wright and Craig Staff

and

WHEREAS, BREACHING TECHNOLOGIES, INC., a Texas corporation, ("ASSIGNEE"), is desirous of obtaining the entire right, title and interest in, to and under the same inventions and the said application and patent.

NOW, THEREFORE, in consideration of the sum of \$10.00 Dollars to the said ASSIGNORS in hand paid, and other good and valuable consideration, the receipt of which is hereby acknowledged, We, the said ASSIGNORS, have sold, assigned, transferred and set over, and by these presents do hereby sell, assign, transfer and set over, unto the said ASSIGNEE, its successors, legal representatives and assigns, the entire right, title and interest in, to and under the said inventions, the said United States application and said issued patent, and all divisions, renewals and continuations thereof, and all Patents of the United States which may be granted thereon and all reissues thereof; and all applications for industrial property protection, including, without limitation, all applications for patents, utility models, and designs which may hereafter be filed for said invention in any country or countries foreign to the United States, together with the right to file such applications and the right to claim for the same the priority rights derived from said United States application under the Patent Laws of the United States, the International Convention for the Protection of Industrial Property, or any other international agreement or the domestic laws of the country in which any such application is filed, as may be applicable; all forms of industrial property protection, including, without limitation, patents, utility models and design which may be granted for said invention in any country or countries foreign to the United States and all extensions, renewals and reissues thereof; and any and all causes of action thereto that may have heretofore accrued in ASSIGNORS' favor;

AND WE HEREBY authorize and request the Commissioner of Patents of the United States, and any Official of any country or countries foreign to the United States, whose duty it is to issue patents or other evidence or forms of industrial property protection on application and/or patent as aforesaid, to issue the same to the said ASSIGNEE, its successors, legal representatives and assigns, in accordance with the terms of this instrument;

AND WE HEREBY covenant that we have full right to convey the entire interest herein assigned, and that we have not executed, and will not execute, any agreement in conflict herewith;

without charge to said ASSIGNEE  
but at its expense Jett W. [Signature]

AND WE HEREBY further covenant and agree that we will communicate to the said ASSIGNEE, its successors, legal representatives and assigns, any facts known to us respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisions, continuing and reissue applications, make all rightful oaths and generally do everything possible to aid the said ASSIGNEE, its successors, legal representatives and assigns, to obtain and enforce proper patent protection for said invention in all countries.

IN TESTIMONY WHEREOF, WE hereunto set our hands and seal this 30<sup>th</sup> day of April, 2007.
