ASSIGNMENT

WHEREAS, I, Miguel Angel Mendez of Beaverton, County of Washington, State of Oregon (Assignor) have invented a certain design, entitled PACKAGE/CENTERPIECE, for which I am making application for Letters Patent of the United States, said application having been executed concurrently herewith; and

WHEREAS, Klasic Corp. (Assignee), a corporation organized under the laws of the State of Oregon, having a place of business at 15455 N.W. Greenbrier Pkwy, Suite 210, Beaverton, OR 97006, is desirous of acquiring an interest therein:

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, Assignor hereby sells, assigns and transfers to Assignee the full and exclusive right, title and interest in and to said design patent application, and all design patent rights pertaining to said invention throughout the world, including foreign priority rights; said invention, application, and letters patent in this or any foreign country, and all divisions, continuations, reissues and extensions thereof, to be held and enjoyed by Assignee for its own use, and benefit and for its successors and assigns to the full end of the term for which letters patent may be granted in this or any foreign country, as fully and entirely as the same would have been held by Assignor had this assignment and sale not been made, and Assignor covenants that it has full rights so to do, and agrees that it will communicate to Assignee or its successors and assigns, any facts known to Assignor respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths and declarations, and generally do everything possible to aid Assignee, its successors and assigns to obtain and enforce proper design patent protection for said invention in this or any foreign country.

Executed at Beaverton, State of Oregon, this 31 day of May, 2007.
