DESIGN PATENT ASSIGNMENT

This assignment made on the date(s) executed below by Dean Rhoades of 2075 North Beverly Drive, Beverly Hills, California 90210; Robert Radi of 1016 South Crescent Heights Boulevard, Los Angeles, California 90036; and Kimber Maderazzo of 1010 Hartzell Street, Pacific Palisades, California 90272, (Assignors) to Guthy-Renker Corporation, (Assignee), having a place of business at 3340 Ocean Park Boulevard, Suite 3055, Santa Monica, California 90405;

WHEREAS, Assignors have invented a new, original, and ornamental design entitled HANDHELD SKIN CARE TOOL (Design), for which a United States Design Patent application will be filed, further identified by Cislo & Thomas' Docket No. 07-19210 (Design Patent Application);

WHEREAS, Assignors believe themselves to be the original, first, and sole inventors of the Design disclosed and claimed in said Design Patent Application; and

WHEREAS, Assignee desires to acquire by formal, recordable assignment its entire right, title, and interest in and to said Design, and said Design Patent Application in the United States and throughout the world.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignors hereby sell, assign, and transfer to Assignee, their entire right, title, and interest in and to said Design, and said Design Patent Application for said Design in the United States and throughout the world, including the right to file foreign applications directly in the name of Assignee

and to claim for any such foreign applications any priority rights to which such applications are entitled under international conventions, treaties, or otherwise.

Further Assignors agree that, upon request and without further compensation, but at no expense to Assignors, they and their legal representatives and assigns will do all lawful acts, including the execution of papers and the giving of testimony, that may be necessary or desirable for obtaining, sustaining, reissuing, or enforcing said Design Patent Application in the United States and throughout the world for said Design, and for perfecting, recording, or maintaining the title of Assignee, its successors and assigns, to said Design, and said Design Patent Application filed, and any patents granted for said Design in the United States and throughout the world.

Assignors represent and warrant that they have not granted and will not grant to others any rights inconsistent with the rights granted herein.

Assignors authorize and request the Commissioner of Patents and Trademarks of the United States and of all foreign countries to issue any Design Letters Patent granted for said Design(s), whether on an application for said Designs, said Design Patent Application, or on any subsequently filed division, continuation, continuation-in-part, or reissue application, to Assignee, its successors and assigns, as the assignee of his entire interest in said Design.

IN WITNESS WHEREOF, Assignors have executed this Assignment on the
date first above written and as set forth below.
