## PATENT ASSIGNMENT

This Patent Assignment (this "**Assignment**") is made and effective as of June 8, 2007, by InnoDesk Business Tools, Inc., a Delaware corporation with offices at 23800 Commerce Park, Suite A, Beachwood, OH 44122, U.S.A. ("**Assignor**"), to THE ZISZOR! llc, a Delaware limited liability company with offices at One Westminster Place, Suite 102, Lake Forest, IL 60045, U.S.A. ("**Assignee**").

WHEREAS, this Assignment is subject to the terms and conditions of the Asset Purchase Agreement, dated as of the same date hereof (the "**Purchase Agreement**"), by and between Assignor, Assignee, and InnoDesk, Inc. Capitalized terms used but not defined herein shall have the meaning given to such terms in the Purchase Agreement;

WHEREAS, Assignor desires to sell all patent rights, patent applications, patent registrations, and patents worldwide owned by Assignor with respect to the Shredder (including, without limitation, the patents and patent applications set forth on Schedule A) and all continuations, continuations-in-part, divisional applications, provisional applications, reissues, renewals, re-examinations, applications, and any foreign counterparts or extensions of any of the foregoing (collectively, "**Patents**");

WHEREAS, Assignee desires to acquire the entire right, title and interest therein;

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, said Assignor does hereby sell, convey, assign, transfer, and deliver, and hereby agrees to assign (and agrees to further assign), unto Assignee, its successors, assigns, and legal representatives, the full and exclusive right, title, and interest to said Patents in the United States of America and all foreign countries, to be held and enjoyed by said Assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by said Assignor had this assignment and sale not been made, including, without limitation, all rights to the aforesaid Patents and any other United States or foreign applications, all Letters Patent issuing therefrom, together with all improvements and betterments of said Patents and all applications, provisional applications, continued prosecution applications, requests for continuing examination, continuations-in-part applications, divisional applications, reissues, extensions and substitutes of or claiming the benefit of the aforesaid application, together with the right of priority under the International Convention for the Protection of Industrial Property, Inter-American Convention Relating to Patents, Designs and Industrial Models, and any other international agreements to which the United States of America adheres, and Assignor hereby authorizes and requests the Commissioner of Patents to issue all Letters Patent issuing therefrom to Assignee, for its interest as Assignee, its successors, assigns, and legal representatives.

Assignor hereby agrees to execute any papers, provide any information and testify in any interference or litigation at the request of Assignee, its successors, assigns, and legal representatives, when reasonably requested by Assignee to provide Assignees, its successors, assigns, and legal representatives the full enjoyment, protection, enforcement, and title in and to the Patents and rights hereby transferred (with any costs of any such testimony at the expense of Assignee).

Assignor furthermore agrees upon request of said Assignee, its successors, assigns, and legal representatives, and without further remuneration, to execute any and all papers desired by said Assignee, its successors, assigns, and legal representatives, reasonably required for the filing and granting of foreign applications relating to the Patents and the perfecting of title thereto in said Assignee, its successors, assigns, and legal representatives.

This Assignment may be executed in one or more counterparts, each of which will be deemed to be an original copy of this Assignment and all of which, when taken together, will be deemed to constitute one and the same document. The exchange of copies of this Assignment and of signature pages by facsimile or other electronic transmission shall constitute effective execution and delivery of this

Assignment as to the parties and may be used in lieu of the original Assignment for all purposes. Signatures of the parties transmitted by facsimile or other electronic means shall be deemed to be their original signatures for all purposes.

IN WITNESS WHEREOF, the parties hereto have executed this Patent Assignment as of the date first set forth above.
