SUBCONTRACTOR

L3 Communications - Titan Corporation

WHEREAS, under the terms of the above-identified contract with the United States Government the Contractor** agreed, inter alia, to grant to the Government certain rights under inventions and/or discoveries conceived or first actually reduced to practice in the performance of said contract; and

WHEREAS, the above-identified patent application discloses invention(s) within the purview of said rights agreed to be granted by the Contractor to the Government; and

WHEREAS, the Government desires that the assignment rights provided for by said contract in and to said invention(s) be confirmed; and

WHEREAS, under the employment contract, agreement or arrangement the Contractor-employer is entitled to an assignment in and to certain inventions made by the inventor(s) as part of his (their) duties as employee(s) of the Contractor; and

WHEREAS, the above identified invention(s) was/were made in the performance of the above identified contract and under such circumstances as to entitle the Government to an assignment of the entire right, title and interest in and to said invention(s) and any and all applications for Letters Patent thereon and in and to any and all Letters Patent granted on said application, subject only to a non-exclusive royalty-free license to Contractor, said license to be non-transferable except to the successor of that part of the Contractor's business to which said license is appurtenant; and

WHEREAS Contractor warrants that it has the right to grant such assignments by virtue of an assignment executed to Contractor and recorded in the U.S. Patent and Trademark Office as follows:

DATE	FRAME	RECORDING DATE

NOTE: The Contractor may delete this Whereas clause by crossing it out and initialing in the margin, if PART A, EMPLOYEE ASSIGNMENT of this form is executed. If an assignment to Contractor has been previously executed and recorded, Contractor should complete this Whereas clause and delete PART A.

PART A
EMPLOYEE ASSIGNMENT

NOW, THEREFORE, be it known that for and in consideration of these premises and for other good and sufficient consideration, the receipt of which is hereby acknowledged, I (we), the inventor(s), do sell, assign, and transfer to the Contractor-employer the entire right, title and interest in and to said invention(s) and patent application and in and to all Letters Patent wherever they may be granted thereon, as well as divisions, continuations, renewals, and extensions of said application and Letters Patent, the same to be held and enjoyed by the said Contractor-employer to the full end of the term or terms for which Letters Patent are or may be granted, as fully and entirely as the same would have been held or enjoyed by me (us) had this assignment not been made.

FORM 0644 OCT 77
