### PATENT ASSIGNMENT

**WHEREAS**, PSA Composites LLC, a Washington limited liability company (hereafter, together with any successors, legal representatives or assigns thereof, "**Assignor**"), is the owner of certain United States and foreign patents as described on Attachment 1 hereto and incorporated herein by reference (collectively, the "**Patents**");

**AND WHEREAS**, Weyerhaeuser Company, a Washington corporation (hereafter, together with any successors, legal representatives or assigns thereof, "**Assignee**") wants to acquire the entire right, title, and interest in and to the Patents;

**NOW, THEREFORE**, for good and valuable consideration, the full receipt and sufficiency of which is hereby acknowledged, and intending to be legally bound hereby, and pursuant to that certain Asset Purchase Agreement executed by the parties dated October 3, 2006, Assignor has sold, assigned, transferred and set over, and does hereby sell, assign, transfer and set over to Assignee the entire right, title and interest in and to the Patents and all divisions, continuations and continuations-in-part thereof, and all United States Letters Patent which may be granted thereon, and all reissues, reexaminations and extensions thereof, and all priority rights under all available International Agreements, Treaties, and Conventions for the protection of intellectual property in its various forms in every participating country, all national and regional applications deriving therefrom, and all subsequent patents and divisional patents, and all applications for patents (including, without limitation, related rights such as utility-model registrations, inventor's certificates, and the like) heretofore or hereafter filed for said improvements in any foreign countries, and all patents (including, without limitation, all continuations, continuations-in-part, divisions, extensions, renewals, substitutes, and reissues thereof) granted for said inventions in any foreign countries; and Assignor hereby authorizes and requests the United States Commissioner of Patents and Trademarks, and any officials of foreign countries whose duty it is to issue patents on applications as aforesaid, to issue all patents for said improvements to Assignee in accordance with the terms of this Assignment;

**AND ASSIGNOR DOES HEREBY** covenant that it has full right to convey the entire interest herein assigned, and that Assignor has not executed, and will not execute, any agreement in conflict herewith;

**AND ASSIGNOR DOES HEREBY** further covenant and agree that it will communicate to Assignee any facts known to Assignor respecting the Patents, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuation, continuations-in-part, substitute and reissue applications, make all rightful oaths and generally do everything possible to aid Assignee to obtain and enforce proper patent protection for said improvements in all countries.
