(herein after referred to as Assignors), have invented a certain invention entitled:

**"Method and System for Immersion Based Inspection"**

for which application for Letters Patent in the United States was filed on @ , under Serial No. @ ,  
executed on even date herewith; and

WHEREAS, Applied Materials, Israel Ltd., having a place of business at 9 Oppenheimer,  
Rehovot, Israel 76705 (hereinafter referred to as Assignee), is desirous of acquiring the entire right, title  
and interest in and to said application (hereinafter referred to as Application), and the invention disclosed  
therein (hereinafter referred to as Invention), and in and to all embodiments of the Invention, heretofore  
conceived, made or discovered by said Assignors, and in and to any and all patents, inventor's certificates  
and other forms of protection (hereinafter referred to as Patents) thereon granted in any and all countries  
and groups of countries.

NOW, THEREFORE, in consideration of good and valuable consideration acknowledged by said  
Assignors to have been received in full from said Assignee:

1. Said Assignors hereby sell, assign, transfer and convey to Assignee the full and exclusive  
right, title and interest (a) in and to said Application and said Invention; (b) in and to all rights to apply for  
patents on said Invention in any and all countries pursuant to the International Convention for the  
Protection of Industrial Property or otherwise; (c) in and to any and all Applications filed and any and all  
Patents granted on said Invention in any and all countries and groups of countries, including each and  
every Application filed and each and every Patent granted on any application which is a division,  
substitution, or continuation of said Application; and (d) in and to each and every reissue or extension of  
any of said Patents.

2. Said Assignors hereby covenant and agree to cooperate with said Assignee to enable  
said Assignee to enjoy to the fullest extent the right, title and interest to said Invention herein conveyed in  
any and all countries and groups of countries. Such cooperation by said Assignors shall include prompt  
production of pertinent facts and documents, giving testimony, execution of petitions, oaths, specifications,  
declarations or other papers, and other assistance all to the extent deemed necessary or desirable by said  
Assignee (a) for perfecting in said Assignee the right, title and interest herein conveyed; (b) for  
prosecuting any of said applications; (c) for filing and prosecuting substitute, divisional, continuing or  
additional applications covering said Invention; (d) for filing and prosecuting applications for reissuance of
