PATENT ASSIGNMENT

This PATENT ASSIGNMENT (the "Assignment") is effective July 5, 2007, by and between Chambers Technologies, LLC, a Minnesota limited liability company (the "Assignor") and Chambers Medical, LLC, a Minnesota limited liability company (the "Assignee"); collectively, the Assignor and the Assignee are referred to as the "Parties."

WITNESSETH:

The Assignor is the owner of the entire right, title and interest in and to the patent listed on Schedule 1 annexed hereto (collectively referred to as the "Patent"), and the Assignee is desirous of acquiring all right, title, and interest in and to the Patent.

NOW, THEREFORE, the Assignor hereby sells, assigns and transfers to the Assignee the entire right, title and interest in and to the Patent throughout the world and the inventions and designs covered thereby, including the right to claim priority and the right to any continuation, division, continuation-in-part or substitute application thereof and the right to any renewal, reissue, restoration, extension or reexamination of the patent thereof, together with all claims by the Assignor for damages and other recoveries by reason of past infringements of the Patent with the right to sue for, and collect the same for its own use and benefit, and for the use and benefit of its successors, assigns and other legal representatives, the same to be held and enjoyed by the Assignee for its own use and enjoyment, and for the use and enjoyment of its successors, assigns and legal representatives, to the end of the terms for which the Patent has been or will be granted, as fully and entirely as the same would have been held and enjoyed by the Assignor if this Assignment had not been made.

The Assignor agrees that when requested by the Assignee it will, at the sole cost of the Assignee, execute all documents necessary or desirable to properly vest full right, title and interest in and to the Patent throughout the world in the name of the Assignee or which, in the sole judgment of the Assignee, may be necessary to obtain, maintain, issue or enforce said Patent.

*[Remainder of page intentionally left blank;
signature page follows.]*

IN WITNESS WHEREOF, Assignor has caused this Patent Assignment to be executed and delivered, and Assignee accepts this Assignment executed and delivered, as of July 5, 2007.
