## ASSIGNMENT

For good and valuable consideration, the receipt of which is hereby acknowledged, I, Chen Liang, hereby assign and transfer unto DMetrix, Inc., a corporation of the State of Arizona, having its principal offices at 6418 E. Tanque Verde Road, Suite 109/110, Tucson, Arizona 85711, United States of America, and unto its successors, assigns and legal representatives, the entire right, title and interest to a certain invention entitled "Single Axis Illumination for Multi-Axis Imaging System" described, illustrated and claimed in an application for Letters Patent of the United States of America executed by me on July 8, 2002, together with the entire right, title and interest in and to said application, and in and to Letters Patent which may be issued upon said application, and in any division, extension, continuation, continuation-in-part or reissue thereof, said DMetrix, Inc. bearing all patent application expenses, including attorney fees.

I also hereby assign and transfer unto said DMetrix, Inc. the entire right, title and interest in and to said inventions and in and to applications for Letters Patent therefor in all countries foreign to the United States of America, including all rights under any and all international conventions and treaties in respect of said inventions and said applications for Letters Patent in foreign countries; I further authorize said DMetrix, Inc. to apply for Letters Patent in foreign countries directly in its own name, and to claim the priority of the filing date of said application for Letters Patent of the United States of America under the provisions of any and all international conventions and treaties.

I hereby authorize and request the Commissioner of Patents of the United States of America to issue Letters Patent upon the aforesaid application, division, extension, continuation, continuation-in-part or reissue, to DMetrix, Inc. for the sole use and behoof of said DMetrix, Inc., its successors, assigns and legal representatives, to the full end of the term for which said Letters Patent may be

granted, the same as they would have been held and enjoyed by me had this assignment not been made, and I hereby authorize and request the equivalent authorities in foreign countries to issue the patents of their respective countries to said DMetrix, Inc.

I agree that, when requested, I will, without charge to said DMetrix, Inc., but at its expense, sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable or convenient for securing and/or maintaining patents for said invention in any and all countries and for vesting title thereto in said DMetrix, Inc., its successors, assigns and legal representatives or nominees.

I covenant with said DMetrix, Inc., its successors, assigns and legal representatives, that the interest and property hereby conveyed is free from all prior assignment, grant, mortgage, license or other encumbrance.
