## ASSIGNMENT

WHEREAS, We, Richard B. Stoffels, a citizen of the United States of America, residing at 6895 Castle Lane, Eden Prairie, MN 55346, and James G. Sidla, a citizen of the United States of America, residing at 6764 - 97th Street NE, Monticello, MN 55362, have invented and own a certain invention entitled SAFETY RAIL SYSTEM for which a patent application has been made for Letters Patent of the United States, said application may be identified in the United States Patent and Trademark Office by Serial No. 11/765,268 filed June 19, 2007; and

WHEREAS, Garlock Equipment Company, a corporation incorporated in the State of Minnesota, having a place of business at 2601 Niagara Lane, Minneapolis, MN 55447, (hereinafter "Assignee") is desirous of acquiring the entire right, title and interest in and to said invention, said application and in, to and under any and all Letters Patent to be obtained therefor;

NOW, THEREFORE, for and in consideration of One Dollar (\$1.00) and other good and valuable considerations to me in hand paid by said Assignee, the receipt of which is hereby acknowledged, we have sold, assigned and transferred, and by these presents do hereby sell, assign and transfer unto the said Assignee, its successors and assigns, our entire right, title and interest in and to said invention, said application and the Letters Patent, both foreign and domestic, that may or shall issue, including all of my rights under International Convention, and we do hereby authorize and request the Commissioner of Patents and Trademarks to issue said Letters Patent to the above-mentioned assignee in accordance herewith.

We further authorize said assignee, its successors and assigns, or anyone it may properly designate, to apply for Letters Patent, in its own name if desired, in any and all foreign countries, and additionally to claim the filing date of said United States application and/or otherwise take advantage of the provisions of the International Convention.

Upon said consideration, we do hereby covenant and agree with the said assignee, its successors and assigns, that we will not execute any writing or do any act whatsoever conflicting with these presents, and that we or our executors or administrators will at any time upon request, without further or additional consideration, but at the expense of said assignee, its successors and assigns, execute such additional writings and do such additional acts as said assignee, its successors and assigns, may deem necessary or desirable to perfect the assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, continuation, reissued or extended Letters Patent of the United States, or of any and all foreign countries on said invention, and in enforcing any rights, occurring as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents.

In witness whereof, we have hereunto set my hand and affixed our seal.
