## ASSIGNMENT OF PATENT

Patent No. 6,858,058

Issued: February 22, 2005

For good and valuable consideration in hand paid, the receipt and sufficiency whereof are hereby acknowledged, the undersigned, Ralph Daniels, having an address at 1313 West Washington Street, Sherman, Texas 75092 (Assignor), hereby sells, assigns, transfers and sets over to Daniels AgroSciences LLC, a corporation organized under laws of the state of Rhode Island, having an address at 6 Braman Street, Providence, Rhode Island 02906 (Assignee) and to the successors and assigns of Assignee, the entire right, title and interest in the invention or improvements of the undersigned disclosed in U.S. Patent No. 6,858,058 entitled FERTILIZER WITH EXCESS FREE SEQUESTERING AGENT and in said patent and any and all other applications, both United States and foreign, which the undersigned may have filed and/or may file, either solely or jointly with others, on said invention or improvements in any United States or foreign patent application claiming priority from, or claiming the same or improved invention as, the application upon which said U.S. Patent No. 6,858,058 issued, and in any and all Letters Patent of the United States and foreign countries which may be obtained on any of said applications and in any reissue or extension of such patents, for the full term or terms for which said Patent or Patents are or may be granted, reissued or extended, as fully and entirely as the same would have been held and enjoyed by Assignor had this assignment and sale not been made; together with all claims for damages by reason of past infringement of said Patent with the right to sue for and collect the same.

Assignor warrants herself to be the owner of the entire right, title and interest in said invention or improvements and to have the right to make this assignment, and further warrants that there are no outstanding prior assignments, licenses, or other encumbrances on the interest herein assigned. Assignor hereby covenants that no other assignment, sale, agreement or encumbrance will be made or entered into which would conflict with this sale and assignment.

Assignor further covenants that Assignee will, upon its request and at the expense of Assignee, be provided promptly with all pertinent facts and documents relating to said invention and said Letters Patent and legal equivalents as may be known and accessible to Assignor and will testify as to the same in any interference, litigation or proceeding related thereto and will promptly execute and deliver to Assignee or its legal representatives any and all papers, instruments or affidavits required to apply for, obtain, maintain, issue and enforce said application, said invention and said letters patent and foreign equivalents thereof which may be necessary or desirable to carry out the purposes thereof.
