NOW, THEREFORE, for and in consideration of \$1 and other good and valuable consideration, the receipt and sufficiency of which are hereby expressly acknowledged, the parties agree as follows:

1. The Selling Parties hereby sell, assign, convey and transfer unto Assignee all right, title and interest in, to and under the Patents together with the entire right, title and interest in and to all continuations, divisions, renewals, reissues, and extensions of the Patents and all rights and privileges granted and secured thereby, including, without limitation, the right to sue and recover for any past or continuing infringement of the Patents, as well as the right to seek any and all remedies available at law or in equity.
