ASSIGNMENT

Whereas we, **Minnesota Mining and Manufacturing Company**, a Delaware Corporation having its principal office at St. Paul, Minnesota, pursuant to an assignment of the entire right, title and interest from Patrick T. Stapleton residing at the City of Plymouth, in the County of Hennepin, in the State of Minnesota, as a joint inventor with Casimir Paul Weaver, Matti Kiik and William J. Schultz, are joint owners of an invention in

LAMINATED ROOFING SHINGLE

for which an application for Letters Patent of the United States of America based thereon has been executed, which application is identified in the United States Patent and Trademark Office as U.S. Application Serial No. 08/189,796, filed on February 1, 1994;

Now, therefore, for good and valuable consideration, receipt of which is acknowledged, we have agreed to assign and transfer and do hereby assign and transfer unto

ELK CORPORATION OF DALLAS,

a corporation of Delaware, having its principal office at Dallas, Texas, their successors and assigns our entire right, title, and interest in and to the said invention and application, and in and to any division or continuation of said application, and in and to any and all Letters Patent, reexaminations, reissues, or extensions thereof, of the United States of America and countries foreign thereto (including the right to apply for Letters Patent, Utility Models, Industrial Models, Design Patents or Inventors Certificates in foreign countries and to claim any priority rights for such foreign applications to which such applications are entitled under international conventions, treaties, or otherwise), which have been or may be granted thereon or on any divisional, continuation, renewal, reexamination, reissue, or other or further application based in whole upon the said invention, to be held and enjoyed as fully and exclusively as they would have been by us or any of us had this assignment and transfer not been made.
