ASSIGNMENT

WHEREAS, Johnnie R. Crean, an individual located at 1612 S. Cucamonga Ave., Ontario, CA 91761 (hereinafter "Assignor"), has invented a new and useful EXTENDABLE ROOM-IN-ROOM FOR RECREATIONAL VEHICLES for which an application for Letters Patent has been executed by him; and

WHEREAS, Assignor believes himself to be the original, first, and sole inventor of the invention as disclosed and claimed in the United States Application for Letters Patent filed on January 5, 2007, serial number 11620602, for a EXTENDABLE ROOM-IN-ROOM FOR RECREATIONAL VEHICLES and

WHEREAS, ALFA LEISURE, INC., a California corporation, having a place of business at 1612 South Cucamonga Avenue, Ontario, CA 91761 (hereinafter "Assignee"), desires to acquire by formal, recordable assignment the entire right, title, and interest in and to the invention, the application, and any Letters Patent that might be granted for the invention in the United States and throughout the world;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor has sold, assigned, and transferred, and by these presents does hereby sell, assign, and transfer, unto Assignee, the entire right, title, and interest in and to the invention, the application, and any Letters Patent that might be granted for the invention in the United States and throughout the world, including the right to file foreign applications directly in the name of Assignee and to claim for any such foreign applications any priority rights to which such applications are entitled under international conventions, treaties or otherwise.

Further, Assignor agrees that, upon request and without further compensation, but at no expense to Assignor, he and his legal representatives and assigns will perform all lawful acts, including the execution of papers and the giving of testimony, that might be necessary or desirable for obtaining, sustaining, reissuing or enforcing Letters Patent in the United States and throughout the world for the invention, and for perfecting, recording or maintaining the title of Assignee, his successors and assigns, to the invention, the application, and any Letters Patent granted for the invention in the United States and throughout the world. In addition, Assignor does hereby make, constitute and appoint Assignee, or any officer or agent of Assignee, as Assignor's true and lawful attorney-in-fact, with power of substitution, to enforce every such contract, permit, license, claim,

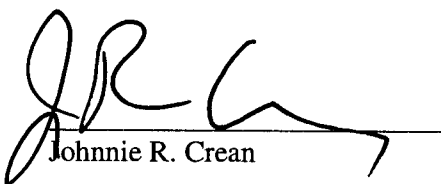

demand or right, with respect to the Assigned Patent, and to do any and all things necessary to be done as fully and effectually as Assignor might or could do, and hereby ratifies all that said attorney-in-fact shall lawfully do or cause to be done by virtue hereof. This power of attorney shall be irrevocable.

Assignor represents and warrants that he has not granted and will not grant to others any rights inconsistent with the rights granted by this Assignment. Assignor further represents and warrants that he does not know of any improvements to the invention, other than what has been disclosed in the application and/or has been communicated to the patent attorney(s) prosecuting said application. Assignor has not filed any other patents relating in any way to the Assigned Patent and agrees not to do so other than in his role as an employee of the Assignee.

Assignor authorizes and requests the Commissioner of Patents and Trademarks of the United States and of all foreign countries to issue any Letters Patent granted for the invention, whether on the application or on any subsequently filed division, continuation, continuation-in-part, or reissue application, to Assignee, or his successors or assigns, as the assignee of the entire interest in the invention.

IN WITNESS WHEREOF, Assignor has executed this Assignment.
