## ASSIGNMENT

For good and valuable consideration in hand paid, the receipt and sufficiency thereof are hereby acknowledged, the undersigned hereby assigns to TRAILMOBILE CORPORATION., a corporation of the State of Delaware, with a place of business at One Conway Park, 100 North Field Drive, Suite 355, Lake Forest, IL 60045-2514, its successors and assigns, the entire right, title and interest in the invention or improvements of the undersigned for SIDEWALL ASSEMBLY HAVING COMPOSITE PANELS FOR TRAILERS AND VANS disclosed in provisional application filed in the United States Patent and Trademark Office on December 10, 2004 under serial number 60/635,145 and disclosed and claimed in non-provisional application on June 15, 2006 under serial number 11/452,604 and any and all other applications, both United States and foreign, which the undersigned may file, either solely or jointly with others, on said invention or improvements, and in any and all Letters Patent of the United States and foreign countries, which may be obtained on any of said applications, and in any reissue or extension of such patents.

The undersigned hereby authorizes and requests the Commissioner of Patents to issue said any and all Letters Patent to said assignee.

The undersigned warrants himself to be owner of the entire right, title and interest in said invention or improvements and to have the right to make this assignment, and further warrants that there are no outstanding prior assignments, licenses, or other encumbrances on the interest herein assigned.

For said considerations the undersigned hereby agrees, upon the request and at the expense of said assignee, its successors and assigns, to execute any and all non-provisional applications under 37 CFR § 1.53(b) relating to said provisional application and any and all divisional, continuation and substitute applications for said invention or improvements, and any necessary oath or affidavit relating thereto, and any application for the reissue or extension of any Letters Patent that may be granted upon said non-provisional application, and any and all applications and other documents for Letters Patent in foreign countries on said invention or improvements, that said assignee, its successors or assigns may deem necessary or expedient, and for the said consideration the undersigned further agrees, upon the request of said assignee, its successors and assigns, to cooperate to the best of the ability of the undersigned with said assignee, its successors and assigns, in any proceedings or transactions involving such applications or patents, including the preparation and execution of preliminary statements, giving and producing evidence, and performing any and all other acts necessary to obtain said Letters Patents, both United States and foreign, and vest all rights therein hereby conveyed in the assignee, its successors and assigns, whereby said Letters Patents will be held and enjoyed by the said assignee, its successors and assigns, to the full end of the term for which said Letters Patent will be granted, as fully and entirely as the same would have been held and enjoyed by the undersigned if this assignment had not been made.
