ASSIGNMENT

For and in consideration of One Dollar (\$1.00) to me in hand paid, and other valuable consideration, the receipt and sufficiency whereof are hereby acknowledged and confessed, Barbeau Pharma Inc. ("Assignor") hereby sells, assigns, transfers and sets over unto Williamsburg Holdings LLC, a corporation of Illinois ("Assignee"), having an office and place of business at 6 Williamsburg Circle, Evanston, Illinois, the entire right, title and interest in and to their inventions or improvement in

"Sulpiride Pharmaceutical Compositions"

as set forth in U.S. Patent Application Serial No. 10/933,771, filed September 4, 2004, for United States Letters Patent, said application being identified in the office records of Schiff Hardin LLP as Case No. P04,0330-01, and in and to the United States Letters Patent therefor, when issued, together with all improvements thereon and betterments thereof, all divisions, continuations and reissues thereof and substitutions of or for said application, and in PCT Application No. PCT/US05/06088, filed February 24, 2005, and all foreign applications, including national stage filings of the aforesaid PCT application, as follows:

Canada Application No. 2578231
Europe Application No. 05723796.8
India – Application No. 940/CHENP/2007
Japan – Application No. 2007-529814

and all other foreign rights including the right to make application for Letters Patent for said inventions in any and all foreign countries and the right to claim priority as to filing date under the International Convention on the basis of the aforesaid application for United States Letters Patent; and Assignor authorizes and directs the Commissioner of Patents to issue the patent for said inventions when granted, in accordance with this assignment and sale.

For the same considerations, Assignor hereby agrees that it will promptly communicate to the aforesaid assignee or its assigns full and complete information concerning improvements or betterments of the inventions disclosed in said application, and it will cooperate at any time upon request of said assignee or its assigns, at its or their expense, in the procurement of patent protection to cover the inventions herein assigned and to be assigned including the execution of new, divisional, continuing and reissue applications; it will make all rightful oaths, will testify in any proceedings in the Patent Office or in the Courts, and generally will do everything lawfully possible to aid said assignee, its successors, assigns, and nominees to obtain, enjoy and enforce proper patent protection for the inventions embraced within the terms of this document.

IN WITNESS WHEREOF, Assignor has hereunto subscribed its name at:
