THIS ASSIGNMENT, by

John I. Alioto, 1127 Pope Street, Suite 201, St. Helena, CA 94574; and  
Matthew T. Alioto, 1127 Pope Street, Suite 201, St. Helena, CA 94574  
(hereinafter referred to as "the Assignors"), witnesseth:

WHEREAS, the Assignors have invented certain new and useful improvements in  
CONTAINER CRANE RADIATION DETECTION SYSTEMS AND METHODS  
set forth in an application, which is a non-provisional application, filed in the United  
States Patent and Trademark Office as Serial No. 10/356,154 on January 31, 2003;

WHEREAS, VeriTainer Corporation, a corporation duly organized under and pursuant to  
the laws of the State of Delaware, and having its principal place of business at 1127 Pope  
Street, Suite 201, St. Helena, CA 94574 (hereinafter referred to as "the Assignee"), is  
desirous of acquiring the entire right, title, and interest in and to said inventions, the right  
to file applications on said inventions and the entire right, title and interest in and to any  
applications, including provisional applications for Letters Patent of the United States or  
other countries claiming priority to said application, and in and to any Letters Patent or  
Patents, United States or foreign, to be ascertained therefor and thereon.

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and  
sufficient consideration, the receipt of which is hereby acknowledged, the Assignors have  
sold, assigned, transferred, and set over, and by these presents do sell, assign, transfer,  
and set over, unto the Assignee, its successors, legal representatives, and assigns, the  
entire right, title and interest in and to the above-mentioned inventions, the right to file  
applications on said inventions and the entire right, title and interest in and to any  
applications for Letters Patent of the United States or other countries claiming priority to  
said application, and any and all Letters Patent or Patents of the United States of America  
and all foreign countries that may be granted therefor and thereon, and in and to any  
applications claiming priority to said applications, divisions, continuations, and  
continuations-in-part of said applications, and reissues and extensions of said Letters  
Patent or Patents, and all rights under the International Convention for the Protection of  
Industrial Property, the same to be held and enjoyed by the Assignee, for its own use and  
behalf and the use and behalf of its successors, legal representatives, and assigns, to the  
full end of the term or terms for which Letters Patent or Patents may be granted as fully  
an entirely as the same would have been held and enjoyed by the Assignors had this sale  
and assignment not been made;

AND for the same consideration, the Assignors hereby covenant and agree to and with  
the Assignee, its successors, legal representatives, and assigns, that, at the time of  
execution and delivery of these presents, the Assignors are the sole and lawful owner of  
the entire right, title and interest in into the inventions set forth in said applications,  
including provisional applications, above-mentioned, and that the same are

unencumbered, and that the Assignors have good and full right and lawful authority to sell and convey the same in the manner herein set forth;

AND for the same consideration, the Assignors hereby covenant and agree to and with the Assignee, its successors, legal representatives, and assigns, that the Assignors will, whenever counsel of the Assignee, or the counsel of the successors, legal representatives, and assigns, shall advise that any proceeding in connection with said inventions or said applications for Letters Patent or Patents, or any proceeding in connection with Letters Patent or Patents for said inventions in any country, including interference proceedings, is lawful and desirable, and that any applications claiming priority to said applications, divisions, continuations, or continuations-in-part of any applications for Letters Patent or Patents, or any re-issue or extension of any Letters Patent or Patents to be obtained thereon, is lawful and desirable, sign all papers and documents, take all lawful oaths, and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of Letters Patent or Patents, for said inventions, without charge to the Assignee, its successors, legal representatives, and assigns, but at the cost and expense of the Assignee, its successors, legal representatives, and assigns;

AND the Assignors hereby request the Commissioner of Patents to issue any and all said Letters Patent of the United States to the Assignee, as the Assignee of said inventions and the Letters Patent to be issued thereon for the sole use and behalf of the Assignee, its successors, legal representatives, and assigns.
