(designated attorney docket no. ATI-237) and

for which we are about to file a non-provisional application in the U.S. Patent and
Trademark Office; or

for which a non-provisional application has been filed in the U.S. Patent and Trademark
Office on August 20, 2007 and assigned Ser. No. 11/841,056 (we hereby authorize
and request our attorney to insert herein the filing date and serial number of the application when
known); and

WHEREAS, Automotive Technologies International, Inc., of P.O. Box 8, Denville, New
Jersey 07834, ("Assignee"), is desirous of obtaining the entire right, title and interest in, to and
under the invention and the application;

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00) to us in hand
paid, and/or other good and valuable consideration, the receipt of which is hereby acknowledged,
We, the Assignors, have sold, assigned, transferred and set over, and by these presents do hereby
sell, assign, transfer and set over unto the Assignee, its successors, legal representatives and
assigns, the entire right, title and interest in, to and under the invention and the U.S.
nonprovisional application, and all divisionals, reissues, renewals and continuations thereof, and
all patents of the United States which may be granted thereon and all reissues and extensions
thereof; and

WE HEREBY authorize and request the Commissioner for Patents of the United States to issue any patent granted from the application to the Assignee, its successors, legal representatives and assigns, in accordance with the terms of this instrument; and

WE HEREBY covenant and agree that we have full right to convey the entire interest herein assigned, and that we have not executed, and will not execute, any agreement in conflict herewith; and

WE HEREBY further covenant and agree that we will communicate to the Assignee, its successors, legal representatives and assigns, any facts known to us respecting the invention, and testify in any legal proceedings, sign all lawful papers, execute all divisional, reissue and continuation applications, make all rightful oaths, and generally do everything possible to aid the Assignee, its successors, legal representatives and assigns, to obtain and enforce proper protection for the invention.
