A S S I G N M E N T

WHEREAS we, Richard M. O'Grady, Zbigniew Pobochoa, and James W. Ruban, respectively residing at 9 Sunset Ridge Drive, Southington, Connecticut 06489; P.O. Box 165, Brookside, New Jersey 07926; and 943 Torrey Road, Honesdale, Pennsylvania 18431, have made a design invention in:

TRIPLE-BEAM BALANCE

and have made application for United States Letters Patent for a design patent therefor, the same having been filed in the United States Patent and Trademark Office on July 9, 2007 as Application No. 29/281,994 and having been executed by us on even date(s) herewith; and

WHEREAS, OHAUS CORPORATION, a corporation organized and existing under the laws of the State of New Jersey and having an office and place of business at 19A Chapin Road, Pine Brook, New Jersey 07058, is desirous of acquiring the entire interest in said design invention, said United States design patent application and in any Letters Patent which may issue thereon;

NOW, THEREFORE, be it known that for and in consideration of the sum of One Dollar (\$1.00) to each of us paid, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, each of us does hereby sell, assign and transfer unto the said OHAUS CORPORATION, its successors, assigns and legal representatives, all right, title and interest in and to said design invention and any improvements thereon for all countries of the world, and in and to said United States design patent application, including any continuations and divisions thereof, and any substitute applications therefor, and any design patents which may issue thereon, and any reissues of the same, and including the right to claim

priority under the International Convention based on said design patent application; and all right, title and interest in and to every design patent application or design registration application filed or to be filed on said design invention in any other country, including renewals, revivals, continuations and divisions thereof, and any substitute applications therefor, and any and all design patents or design registrations which may issue thereon, and any reissues and extensions of the same; and each of us hereby authorizes and requests competent authorities to grant and issue any and all design patents and design registrations on said design invention to the said OHAUS CORPORATION, as the assignee of the entire interest therein; and we further agree to execute upon request of the assignee such additional documents, if any, as are necessary and proper to secure patent protection on said invention throughout all countries of the world, and to otherwise give full effect to and perfect the rights of the assignee under this Assignment.

IN TESTIMONY WHEREOF, we have hereunto signed our names and affixed our seals on the date(s) indicated hereinafter.
