ASSIGNMENT

In consideration of One Dollar (\$1.00), and other good and valuable consideration, the receipt of which is hereby acknowledged, I the undersigned, **Igor K. Kotliar** (a/k/a "Gary" Kotliar) (hereinafter referred to as "ASSIGNOR"):

Hereby confirm the prior assignment dated on or about December 3, 1997 to **Hypoxico Inc.** (hereinafter referred to as "ASSIGNEE"), a corporation of the State of Delaware, having a place of business at 50 Lexington Ave., #249, New York, New York 10010, its successors, assigns and legal representatives, of the entire right, title and interest for the United States, including the right to sue for past damages (if any) in and to the invention(s) which are disclosed in the United States Letters Patent No.:

5,964,222.

and in and to said patent and any and all divisional, continuing, substitute, renewal, reissue, and all other applications for Letters Patent which have been or shall be filed in the United States and all foreign countries on said invention; and in and to all original, reissued and other patents and certificates of invention which have been or shall be issued in the United States on said invention;

Agree that when requested, without further consideration from or charge to, but at the expense of said Assignee, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this Assignment, the undersigned will execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications on said invention; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to said Assignee, its successors, assigns, and representatives, all facts known to the undersigned relating to said inventions and the history thereof; and generally do everything possible which said Assignee, its

successors, assigns or representatives shall consider desirable for aiding in securing and maintaining proper patent protection for said inventions and for vesting title to said inventions and all applications for patents and all patents on said inventions, in said Assignee, its successors, assigns and legal representatives; and

Covenant with said Assignee, its successors, assigns and legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.
